# Definition der Liebe

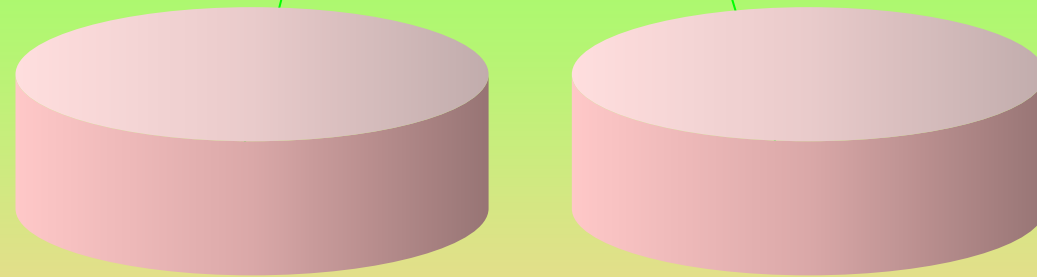

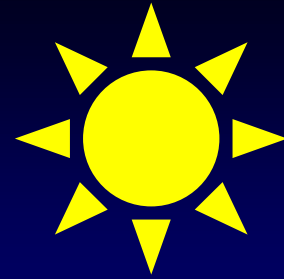

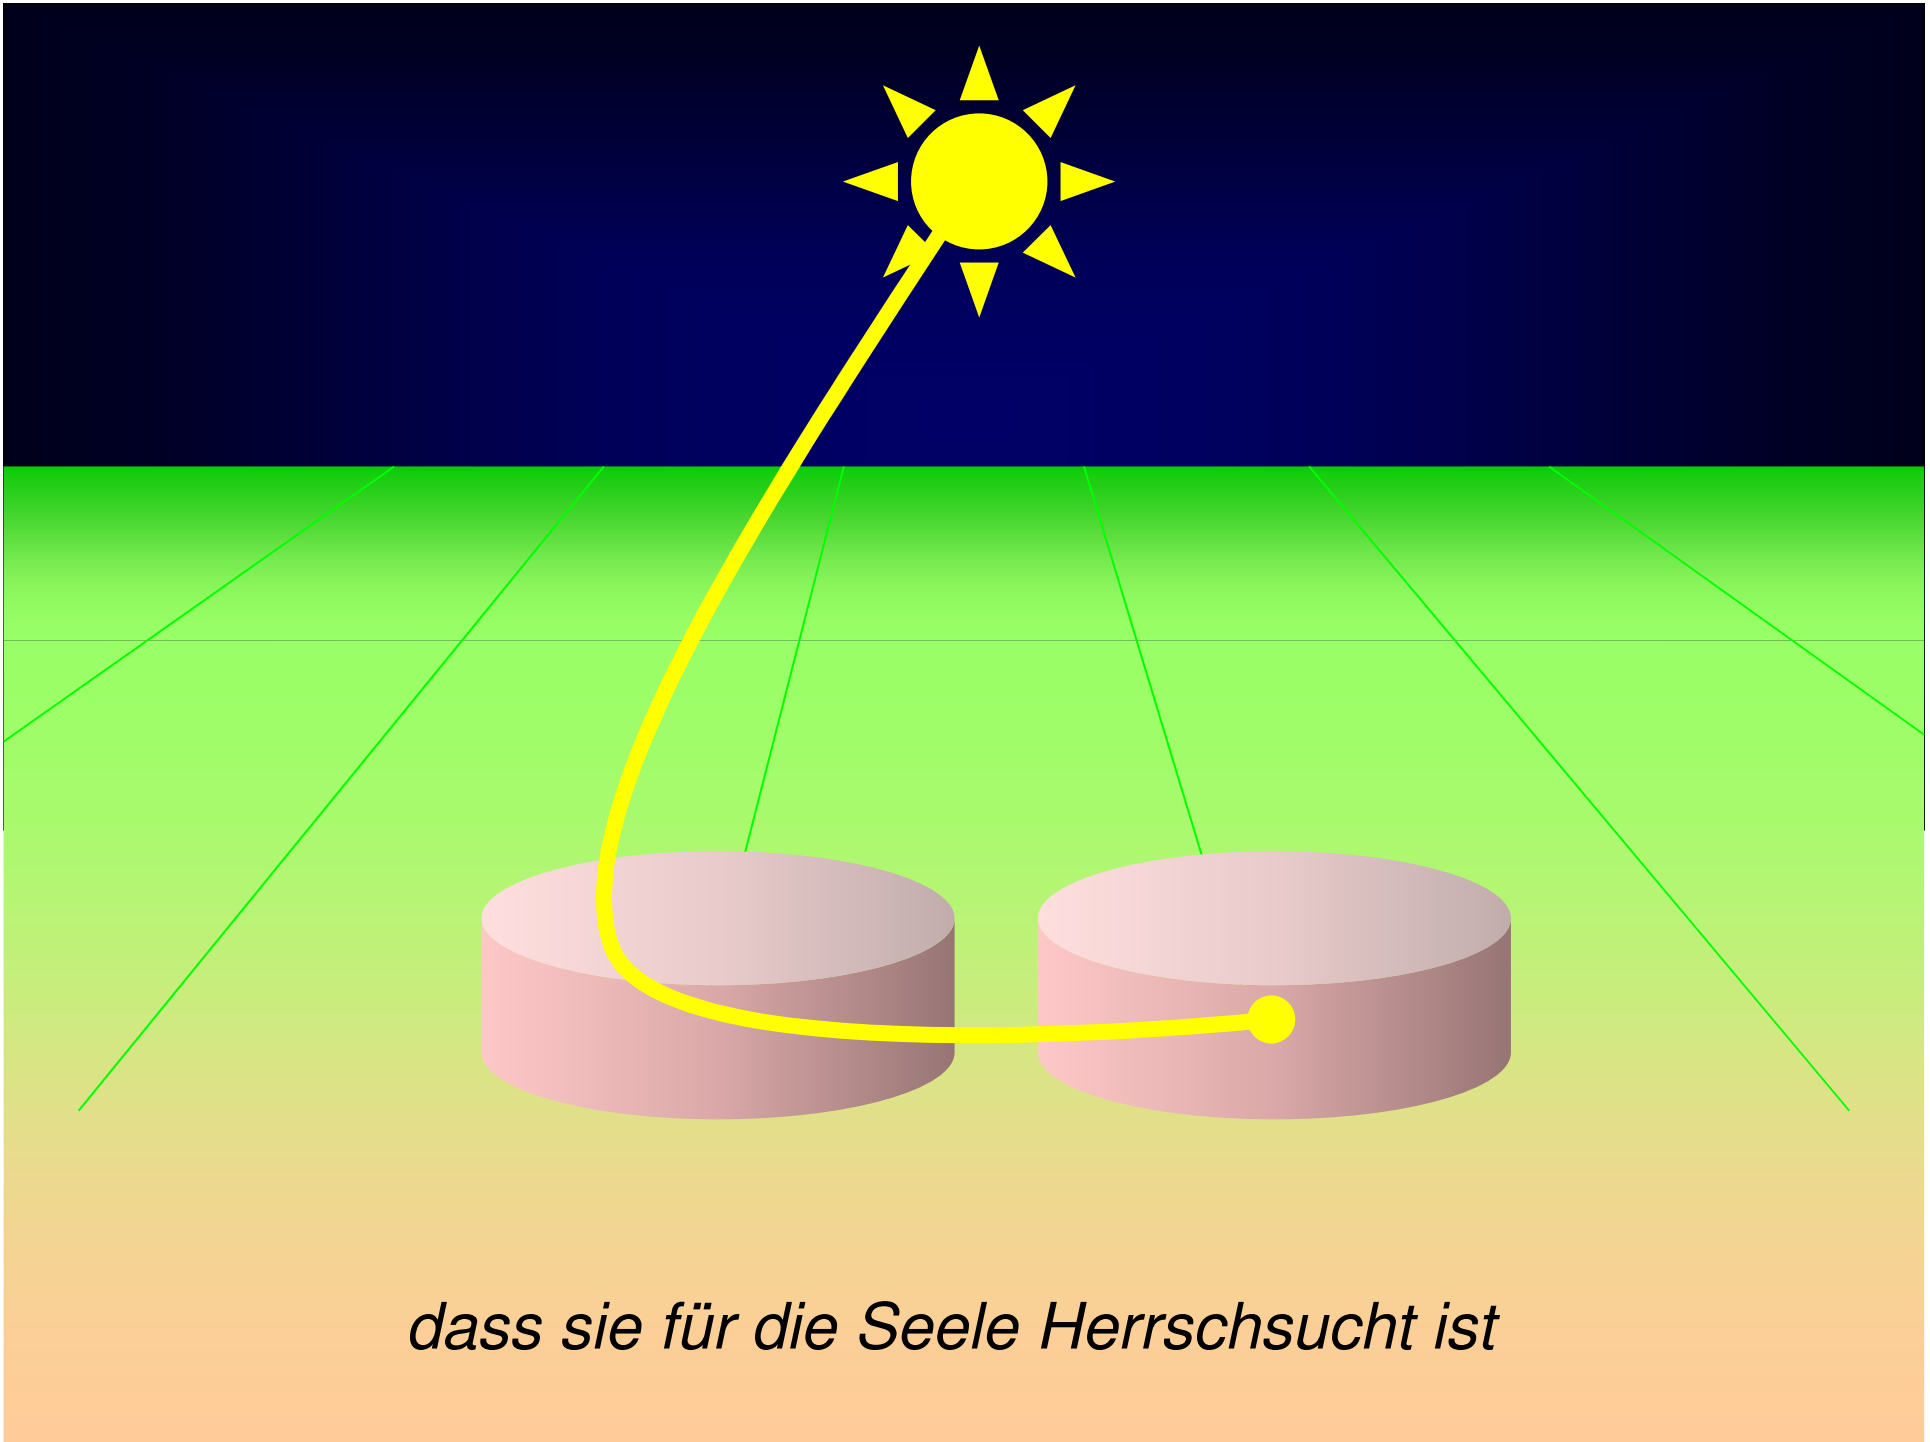

*Die Liebe zu definieren ist schwierig.*

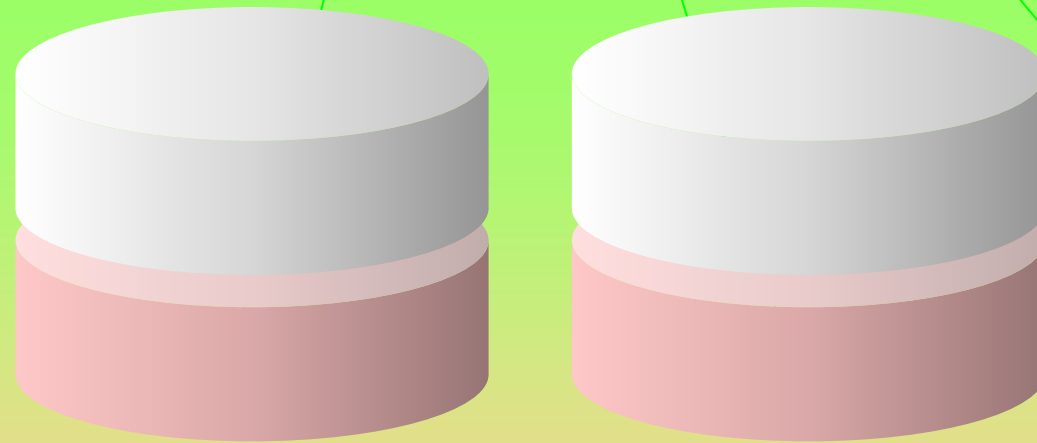

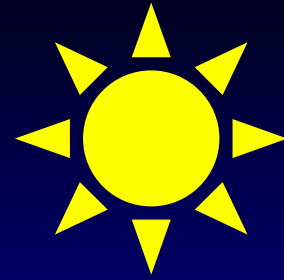

*Was man über sie sagen kann, ist,*

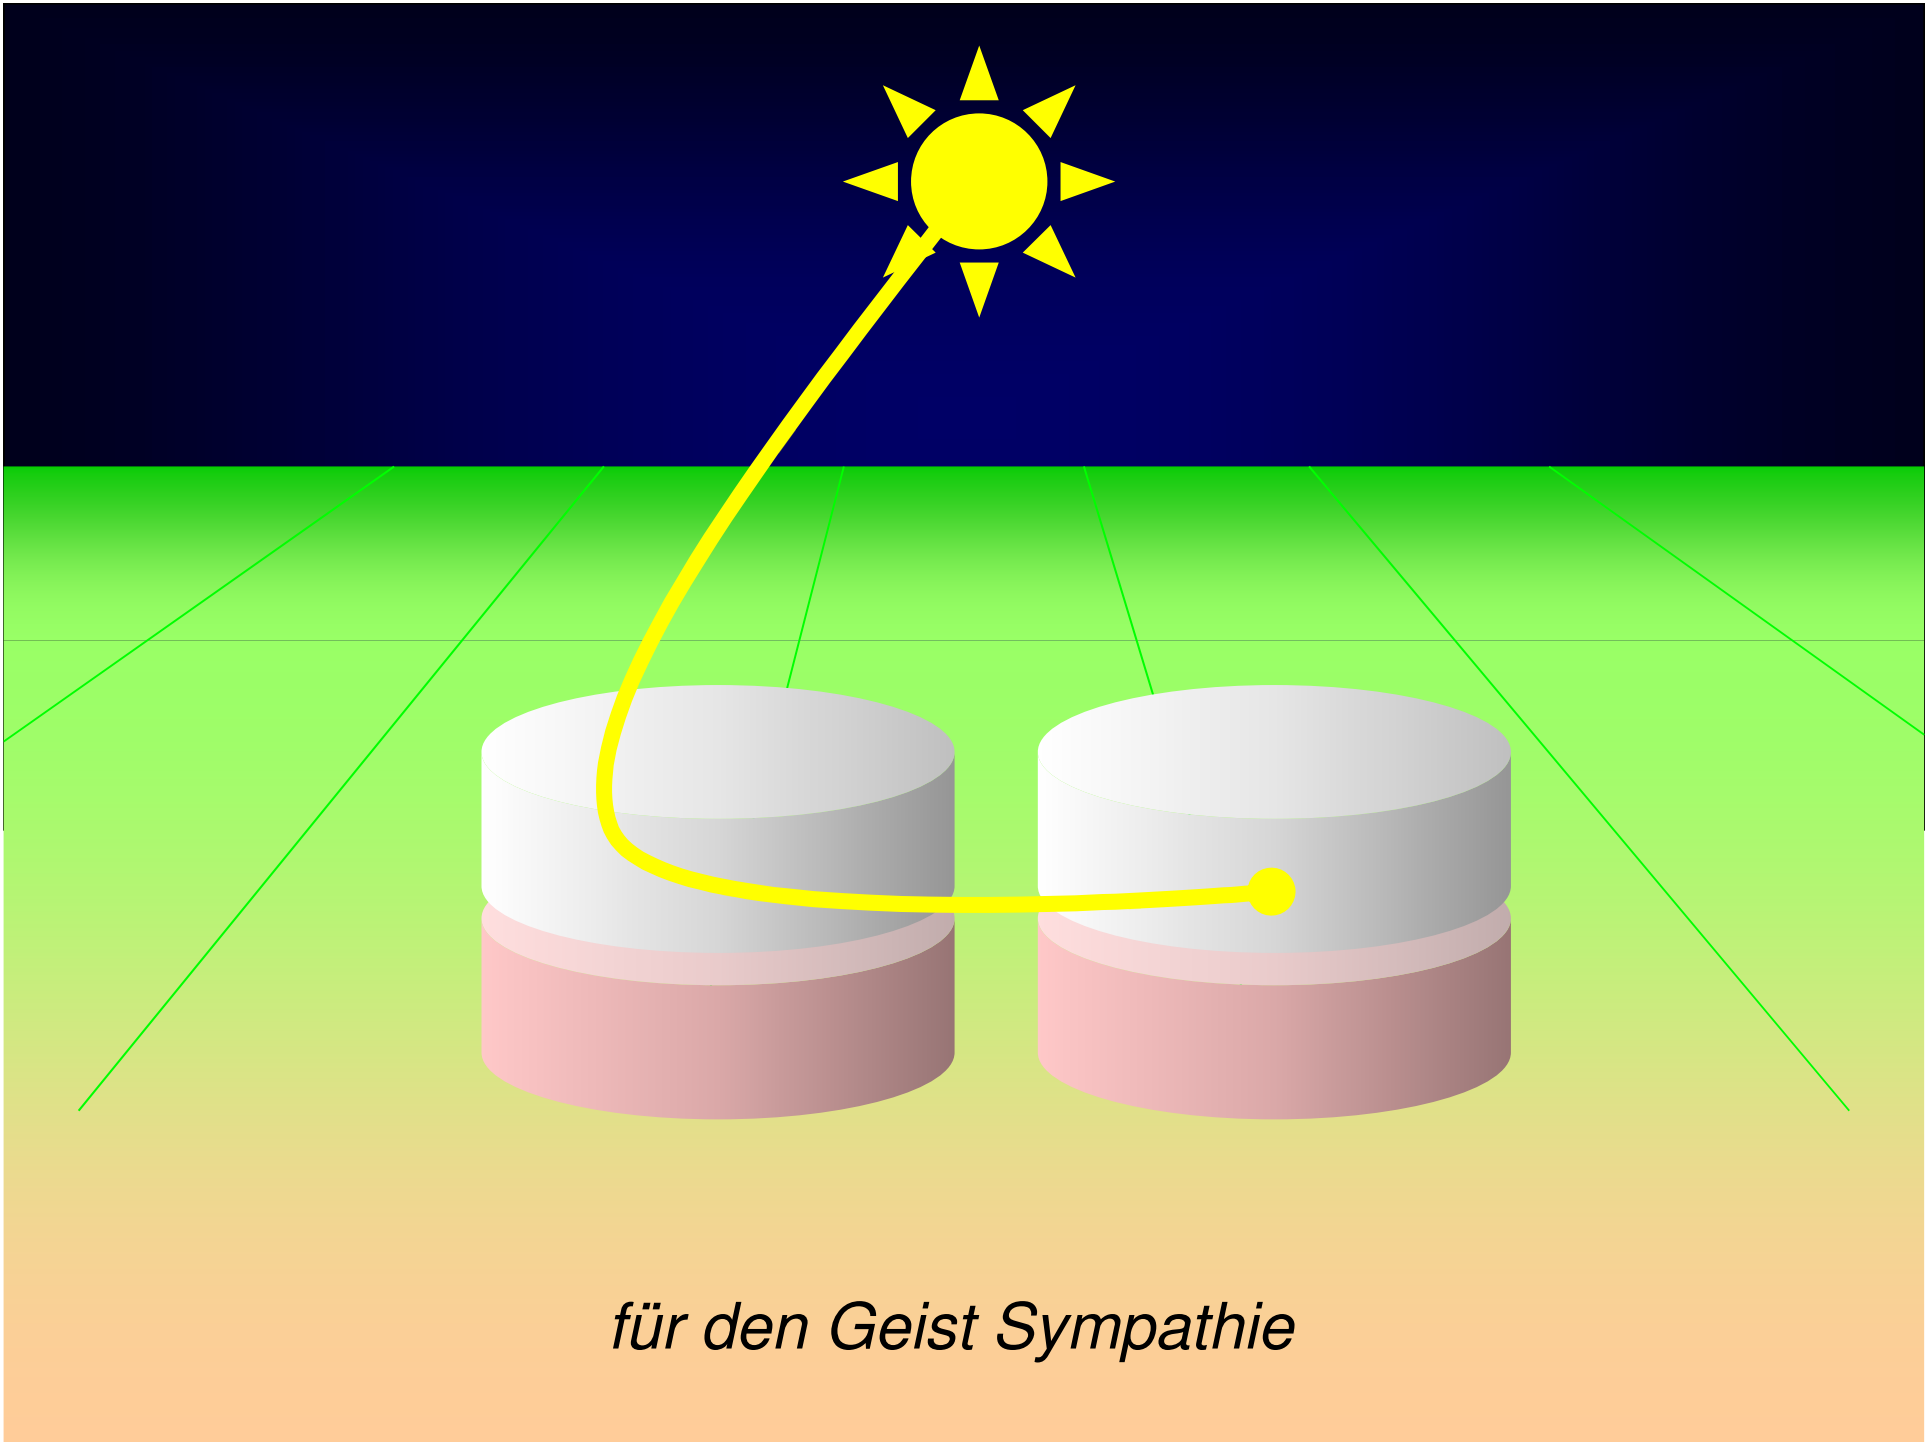

*dass sie für die Seele*

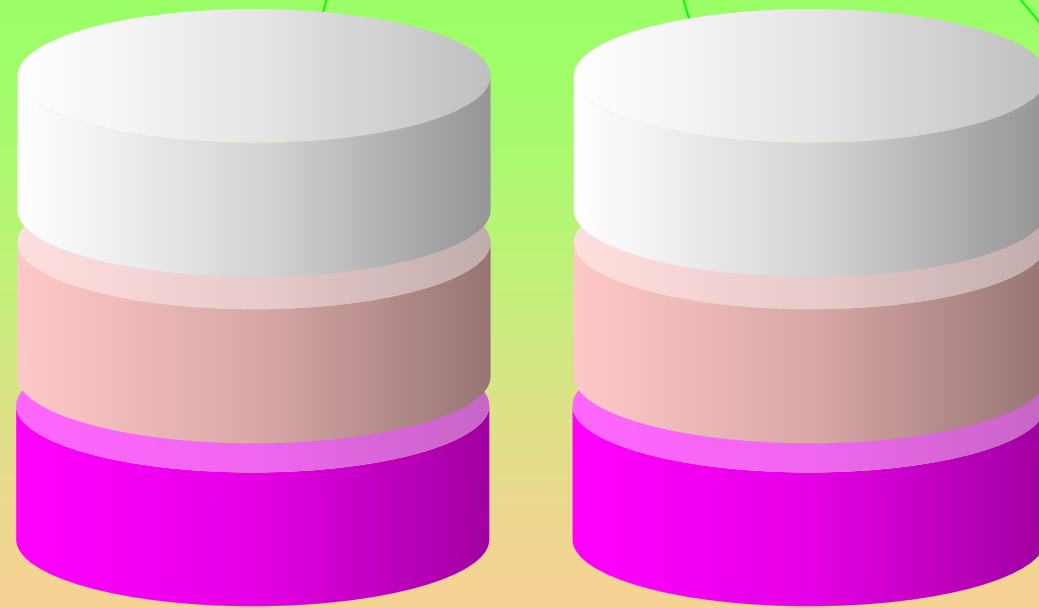

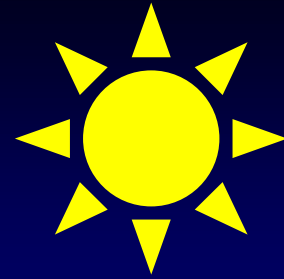

*dass sie für die Seele Herrschaft ist*

*für den Geist*

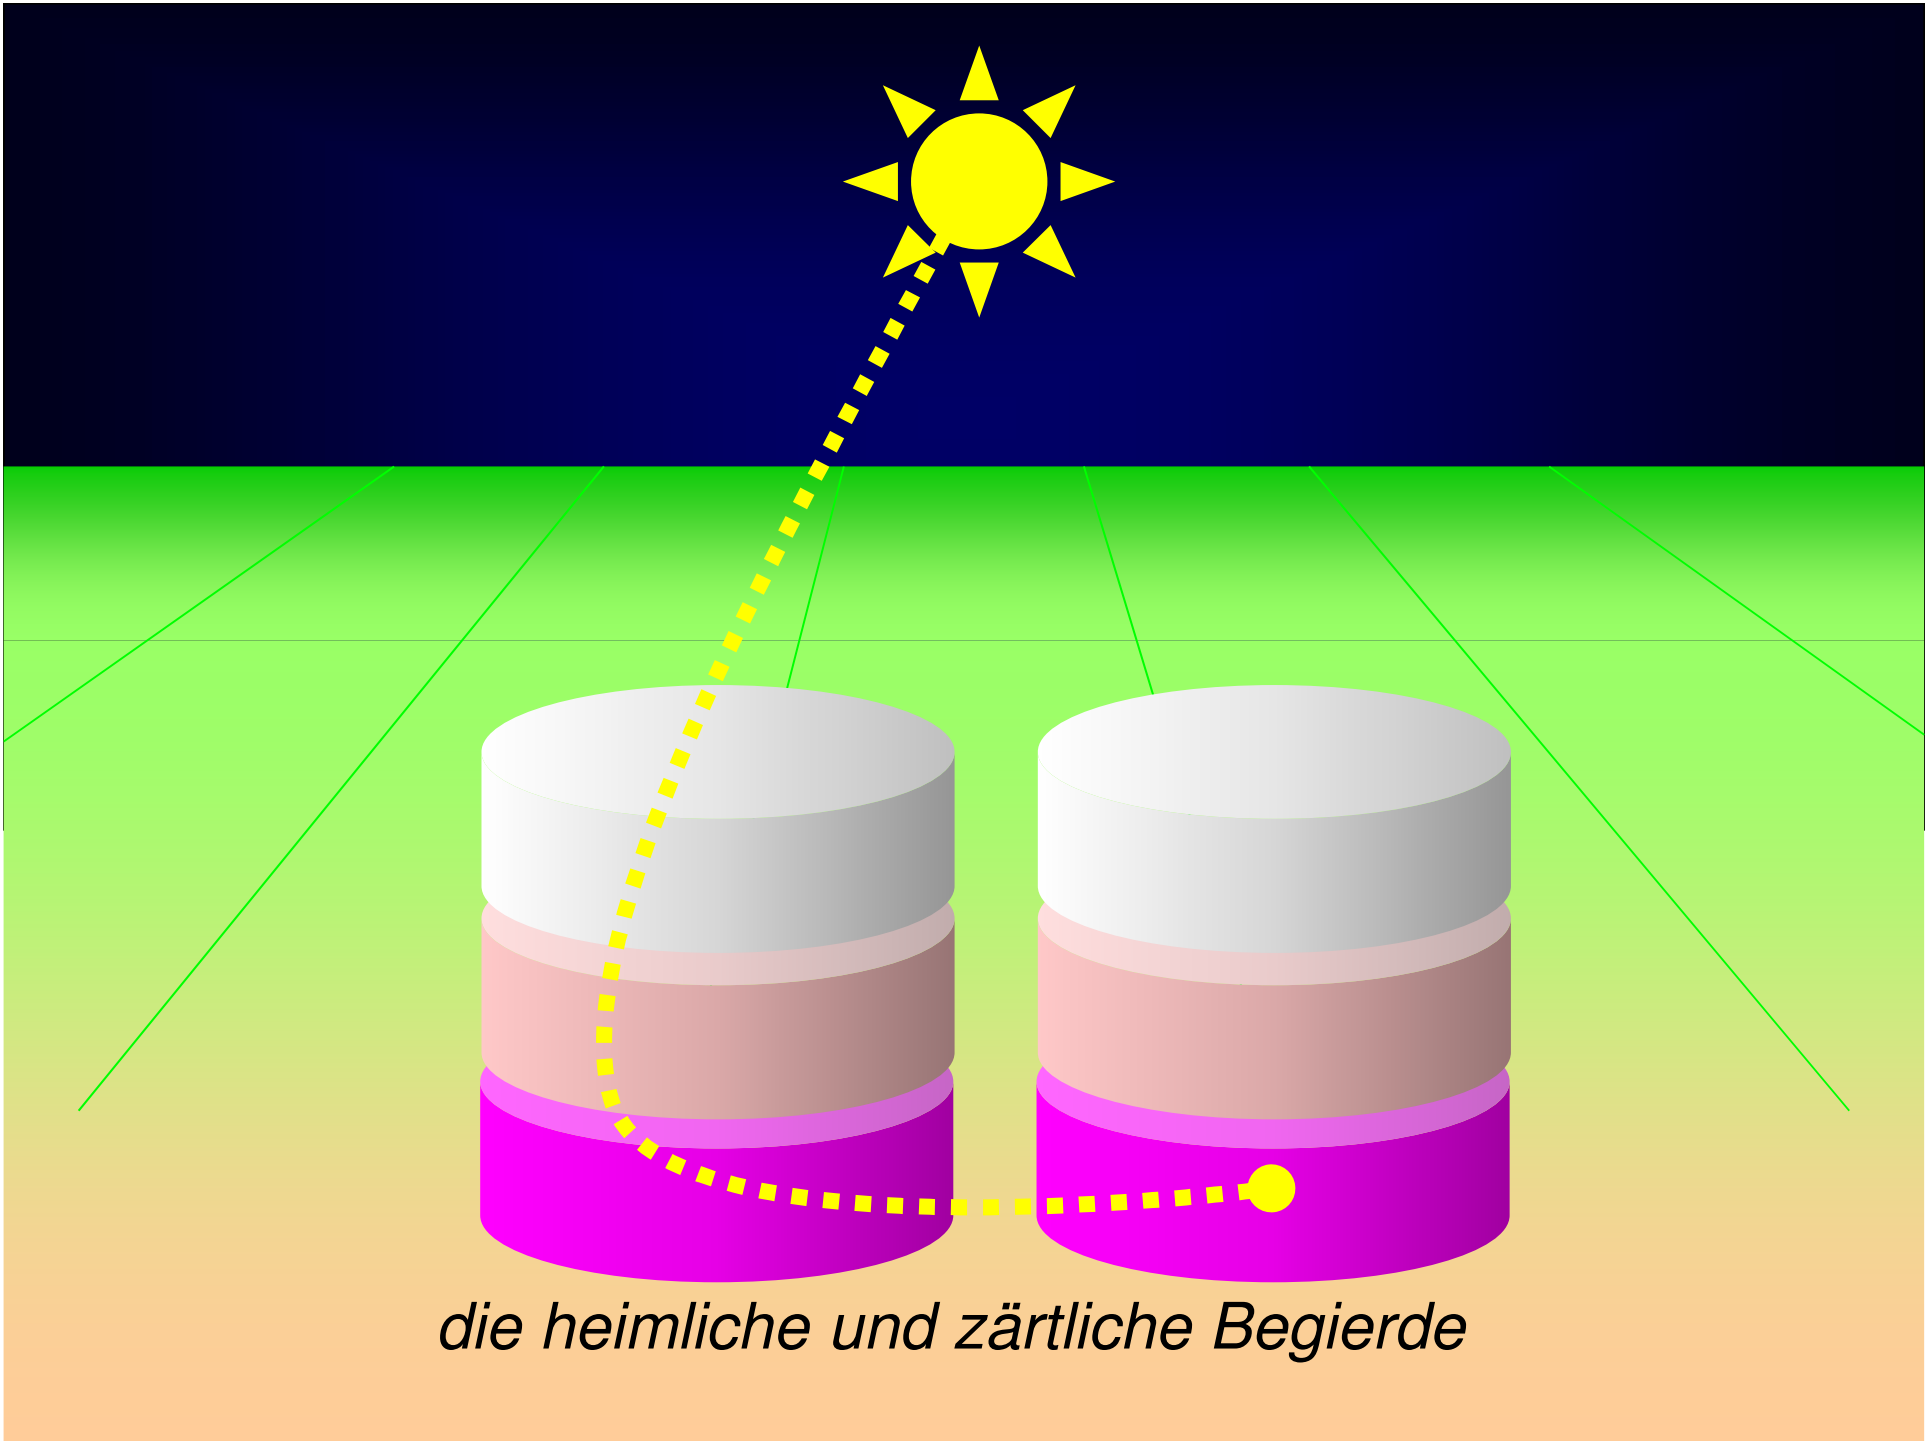

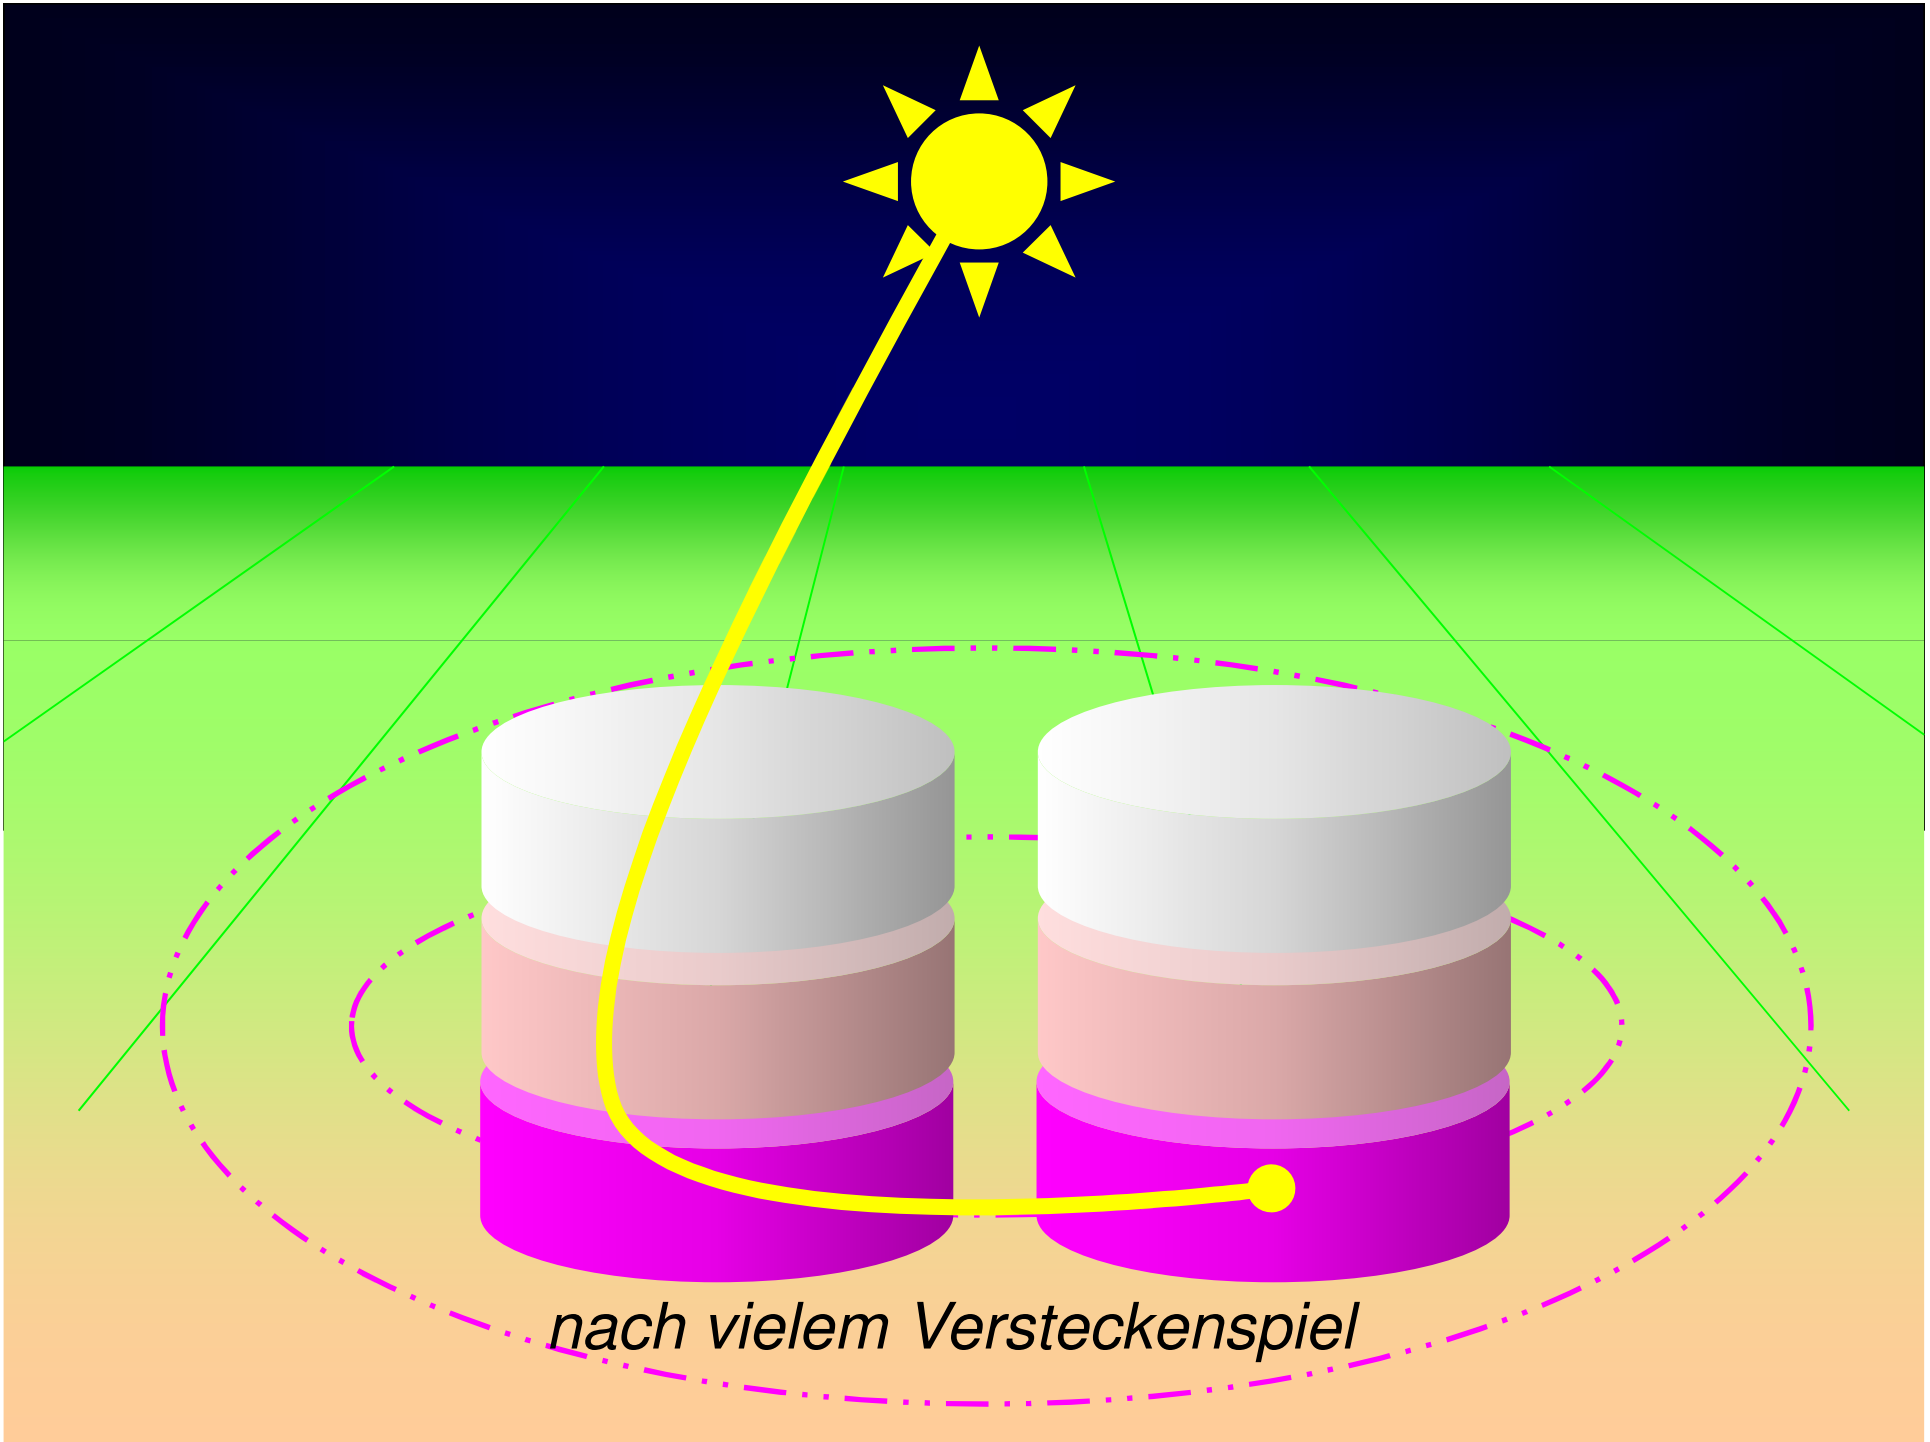

*für den Geist Sympathie*

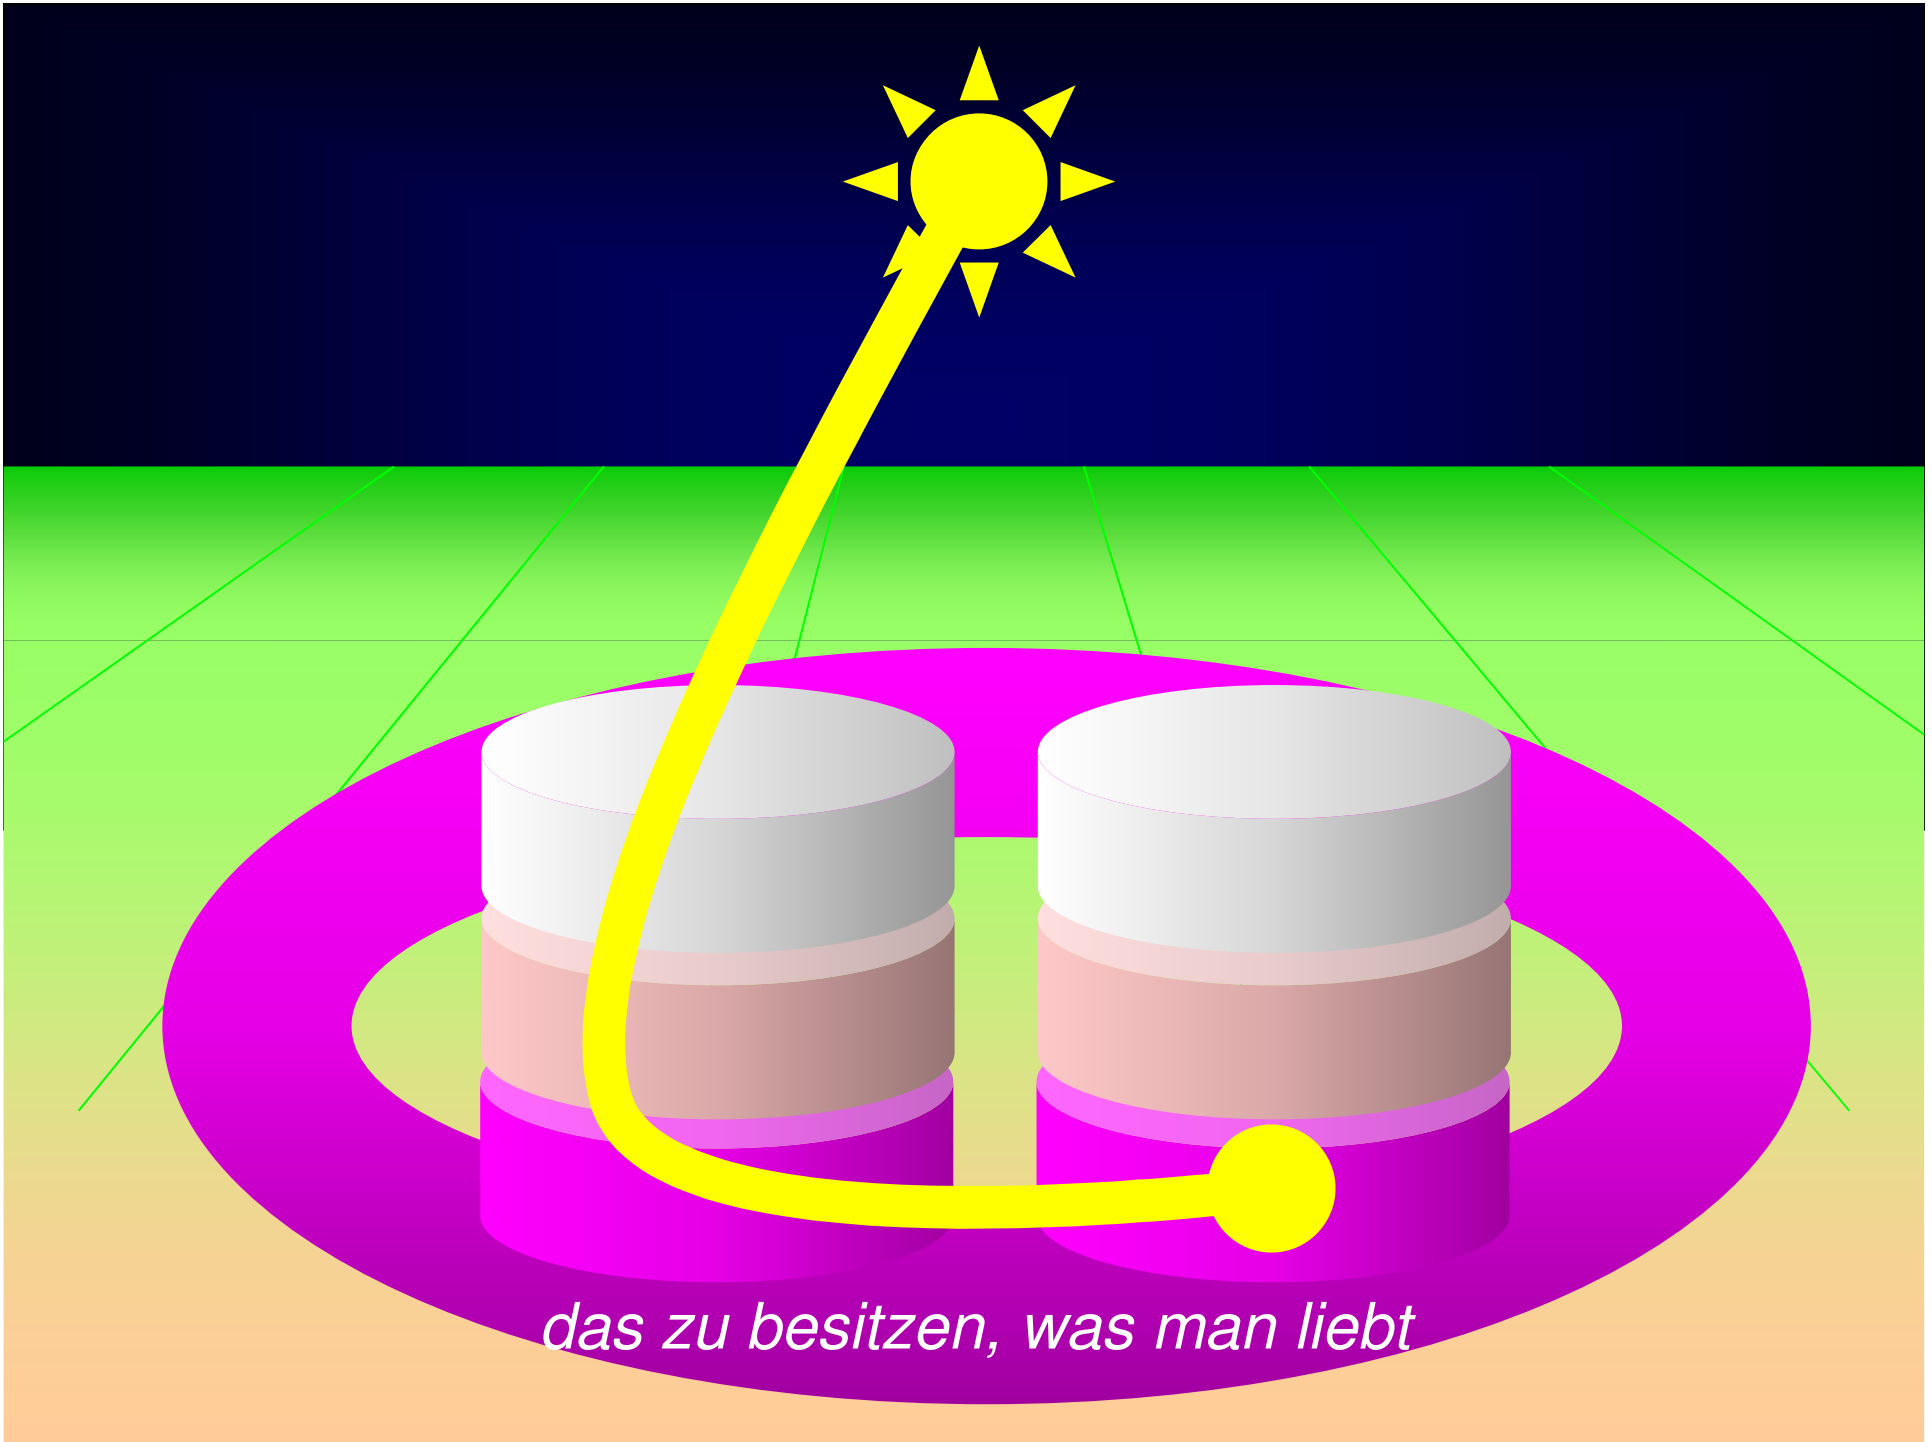

*und für den Körper lediglich*

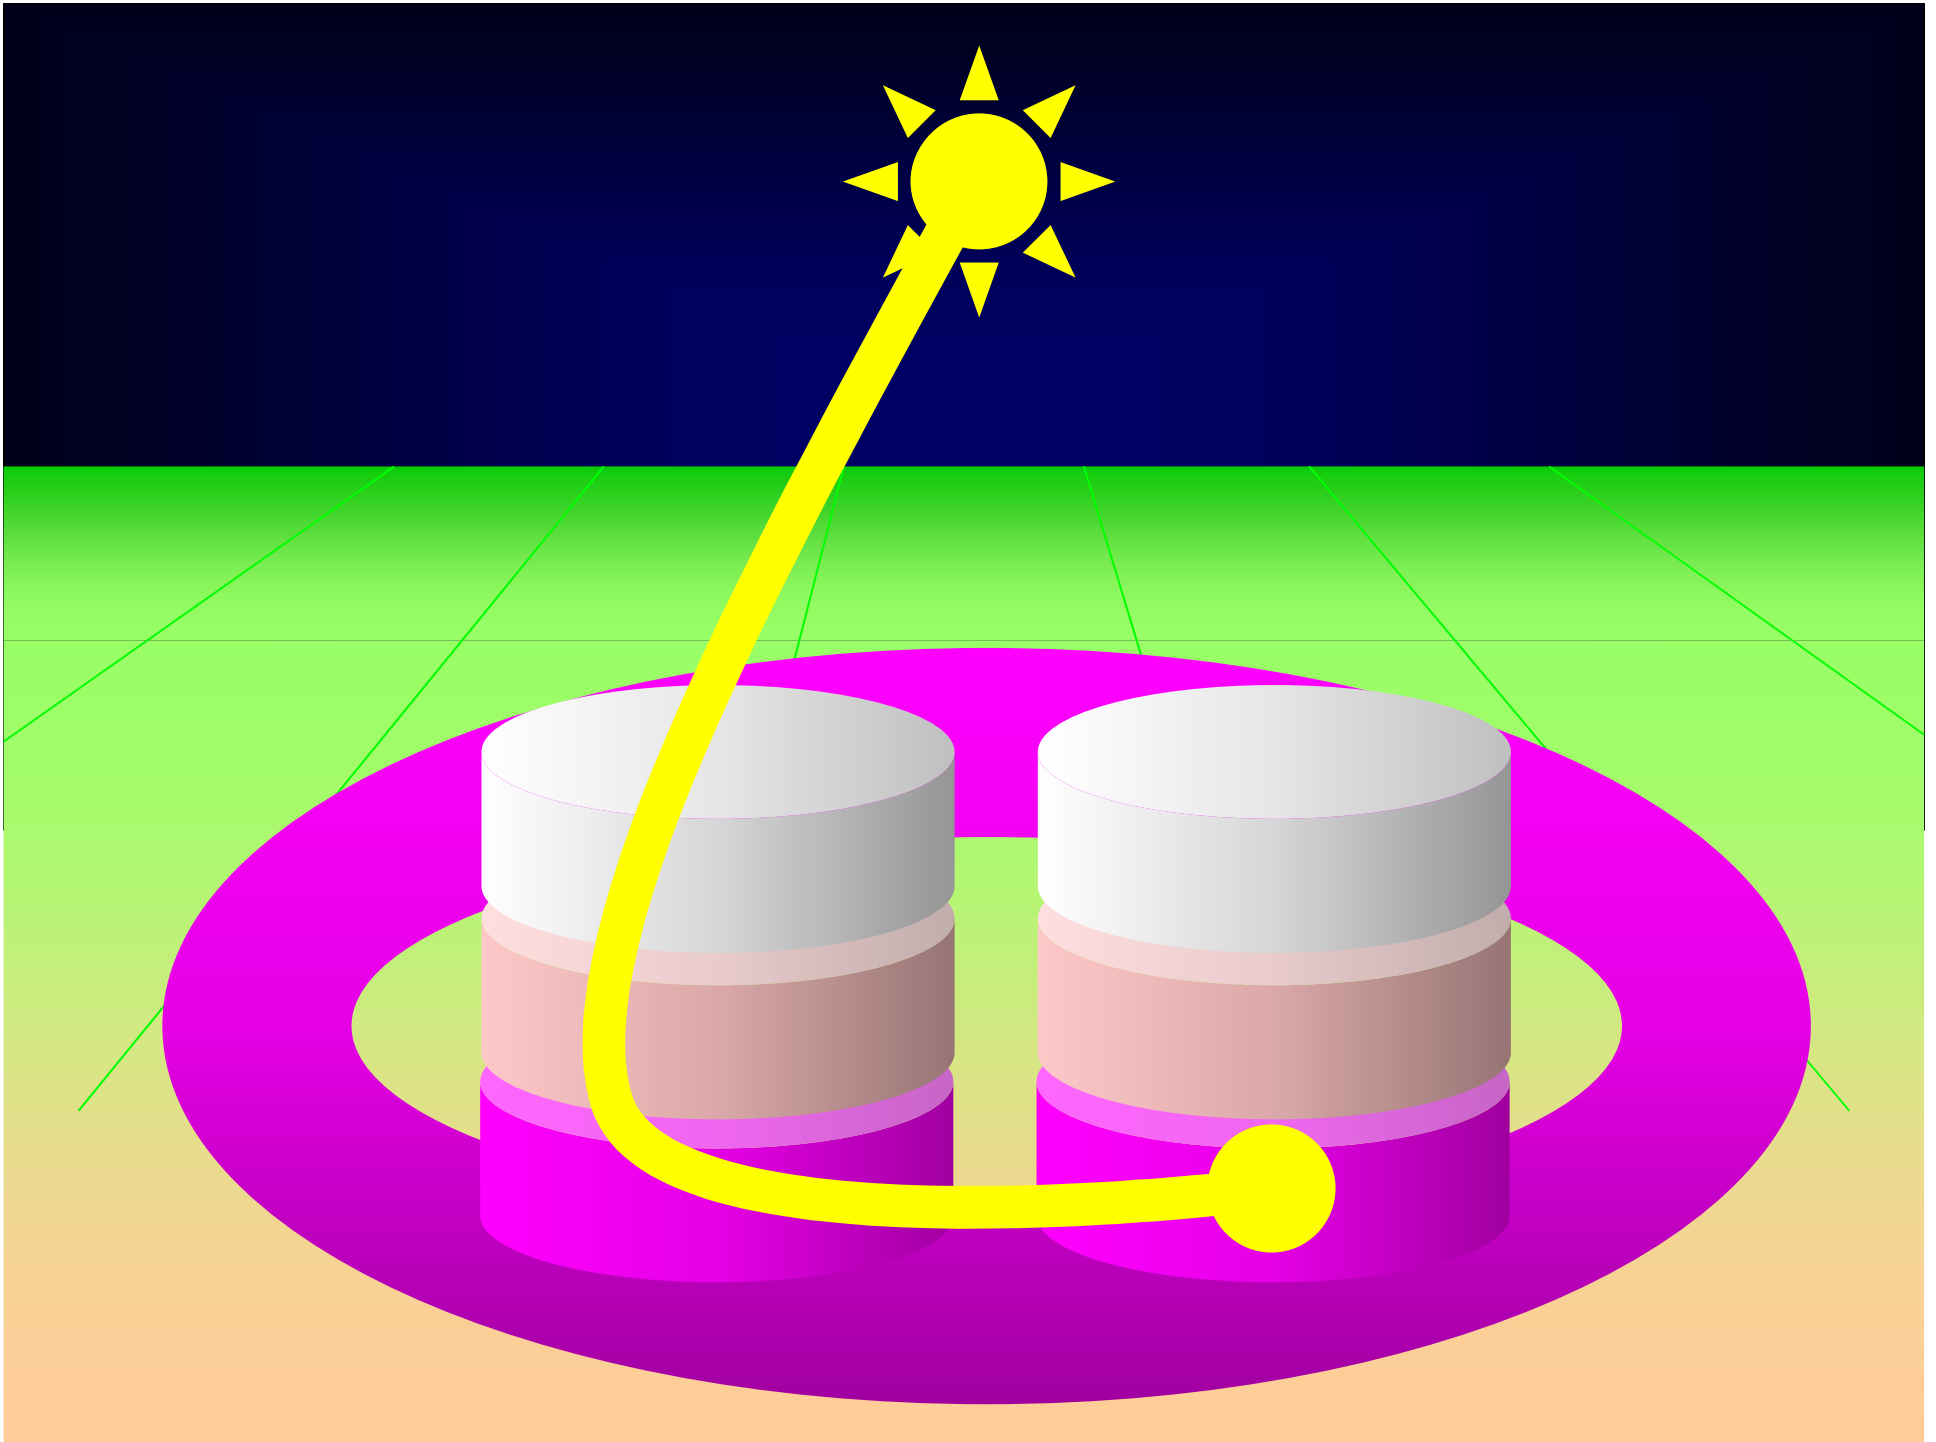

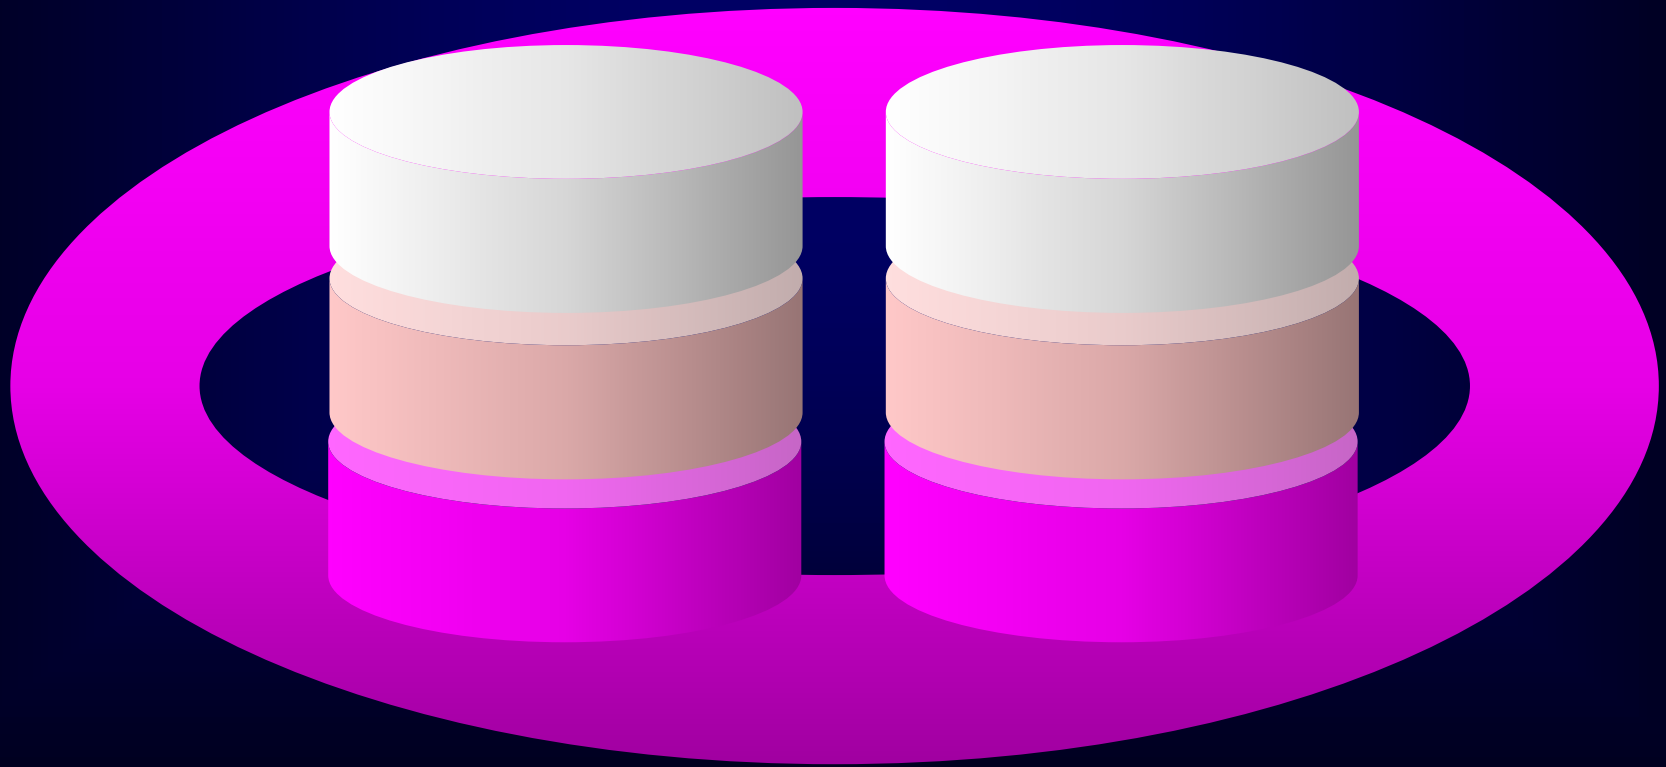

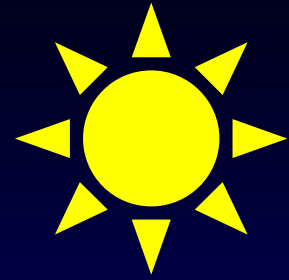

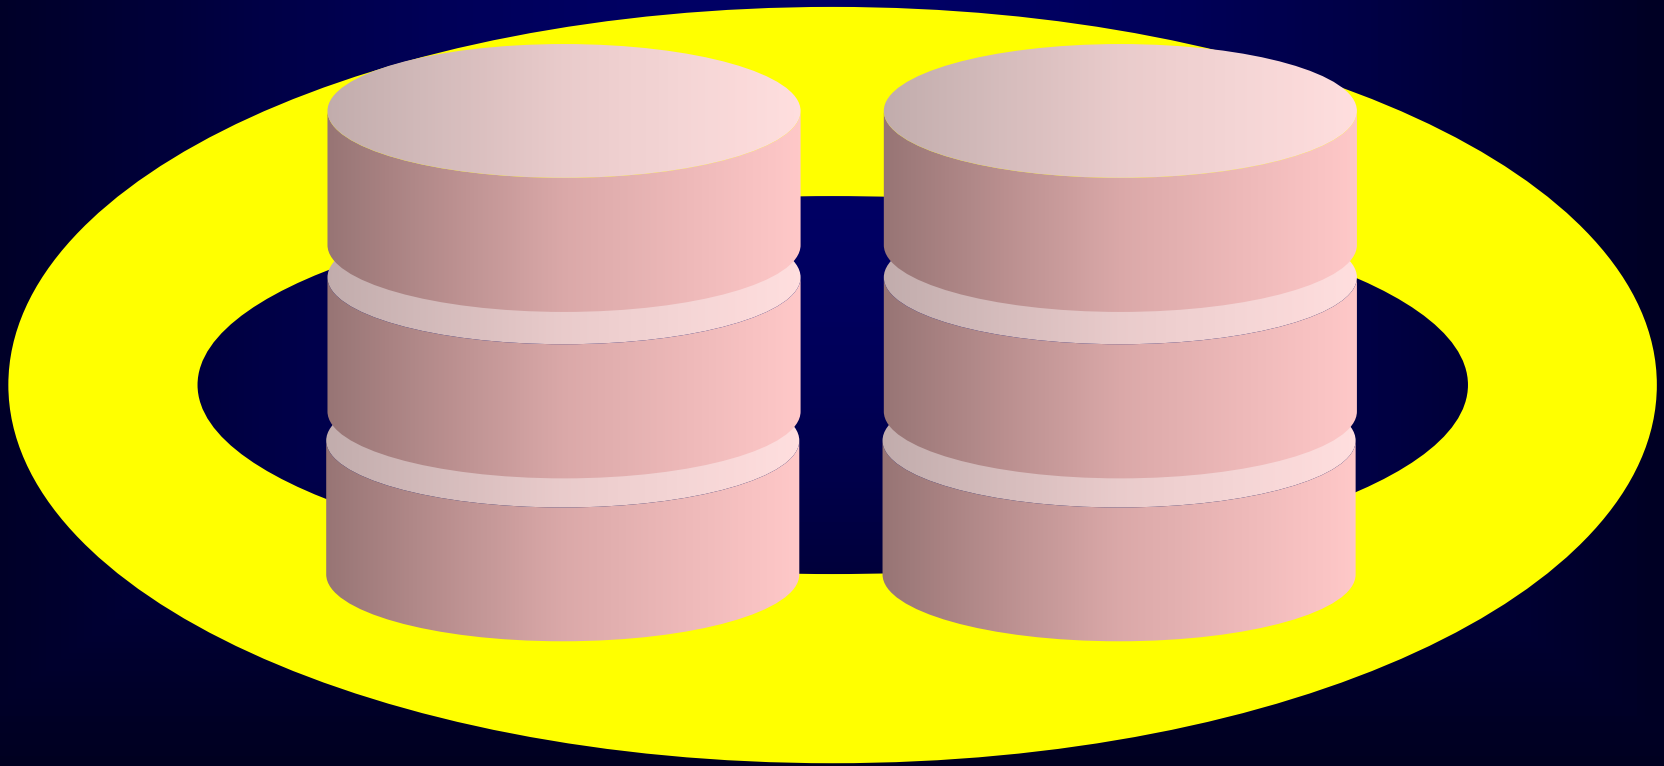

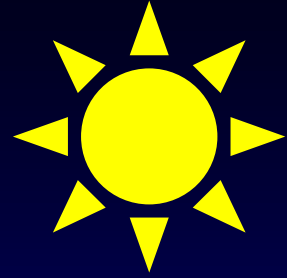

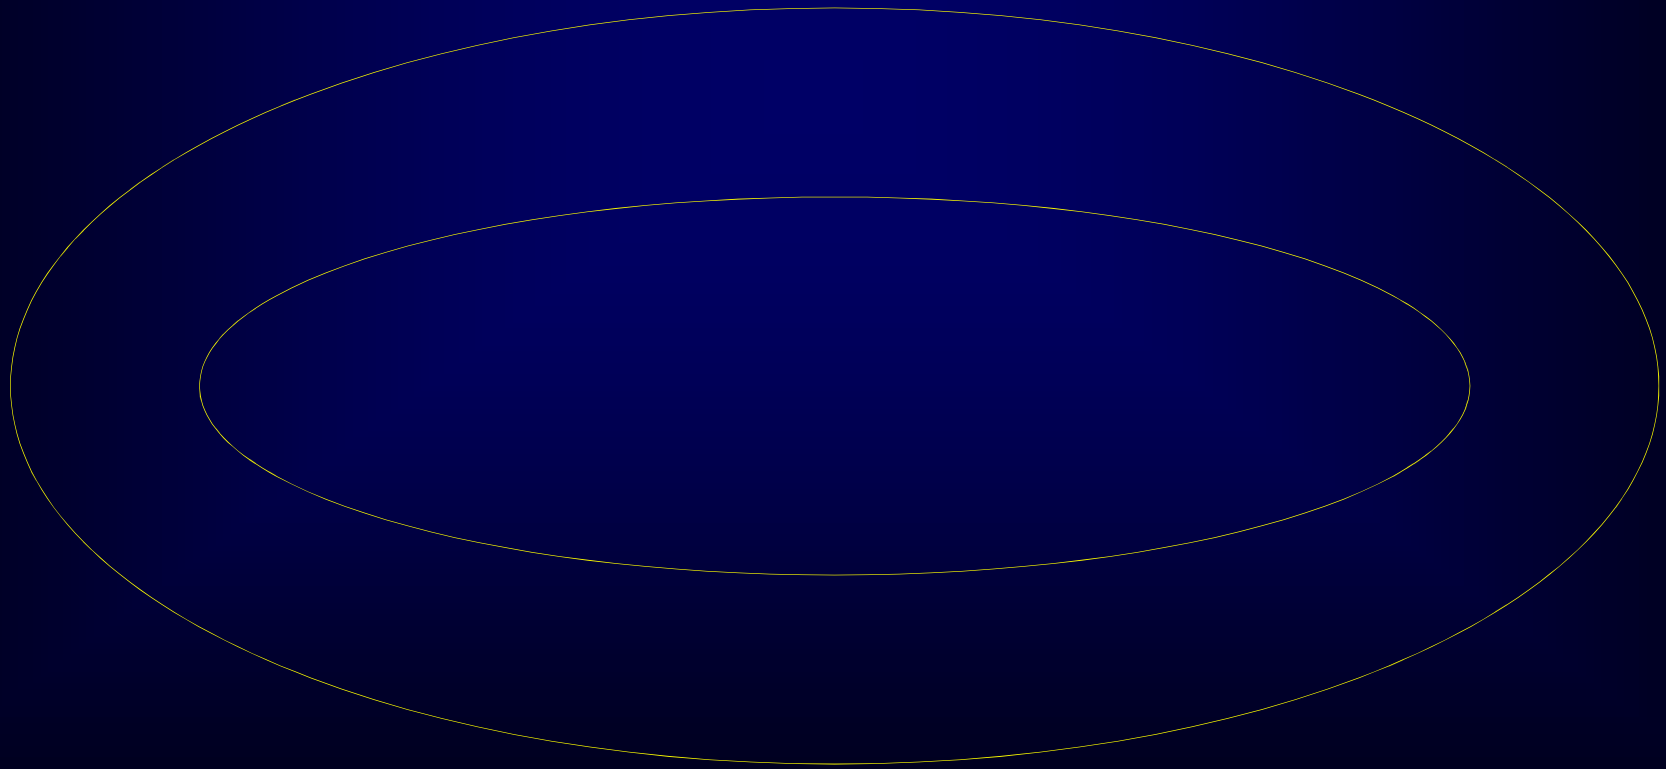

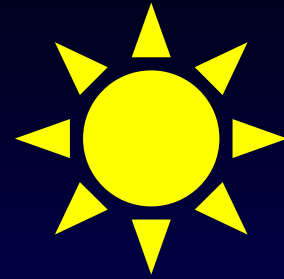

*das zu besitzen, was man liebt*

**Il est difficile de définir l'amour.**

**Ce qu'on en peut dire est que dans l'âme c'est une  
passion de régner,**

**dans les esprits c'est une sympathie,**

**et dans le corps ce n'est qu'une envie cachée et  
délicate de posséder ce que l'on aime après  
beaucoup de mystères.**

Definition der Liebe:
