Gottes Stern, leuchte uns

Himmelslicht der Schöpfung

Aus Finsternis und dunkler Nacht

hat Gott der Welt das Licht gebracht

Gottes Wort die Welt erschuf

Menschen, höret seinen Ruf.

Wir haben seinen Stern gesehen

und kommen voll Freude

Gottes Stern, zeige uns

stets den Weg zum Leben

So machte sich die Weisen auf

und folgten deinem Himmelslauf

Gottes Sohn, ein Menschenkind.

Eine neue Zeit beginnt.

Wir haben seinen Stern gesehen

und beten voll Freude

Gottes Stern, leite uns,

Zeichen der Verheißung

Durch Jesu Kreuz, der Liebe Macht,

ist Gottes Heil an uns vollbracht.

Gottes Geist ist uns geschenkt,

der uns durch die Zeiten lenkt

Wir haben seinen Stern gesehen

und glauben voll Freude
