Die Nacht ist vergangen

wir schauen erwartend den steigenden Tag

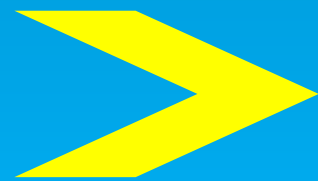

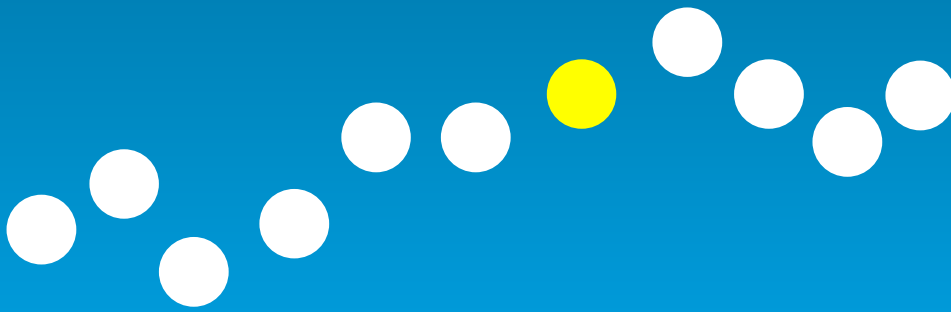

und grüßen dich, Christus

Amen

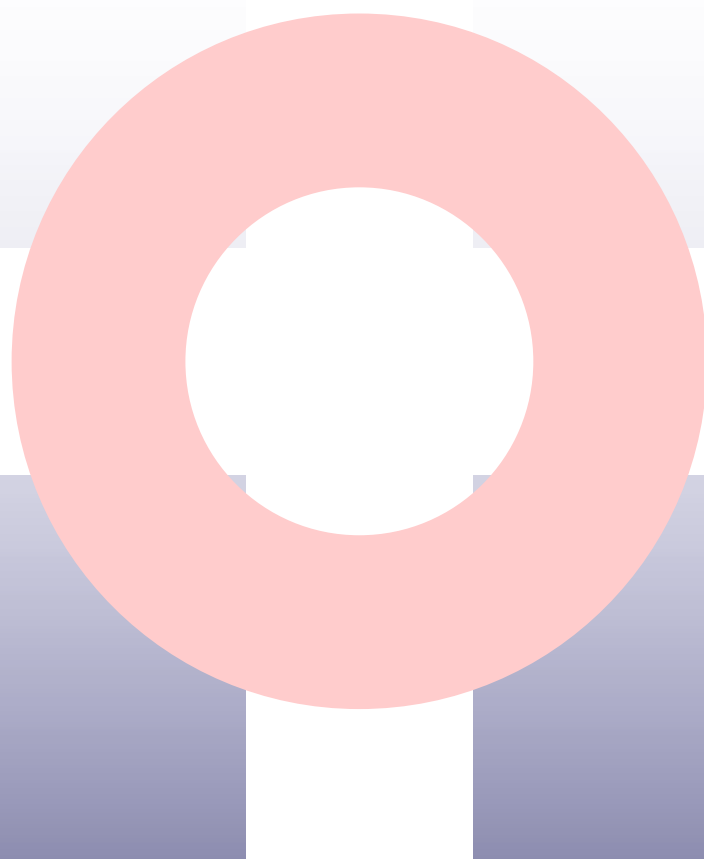

Schon lockt uns die Taube

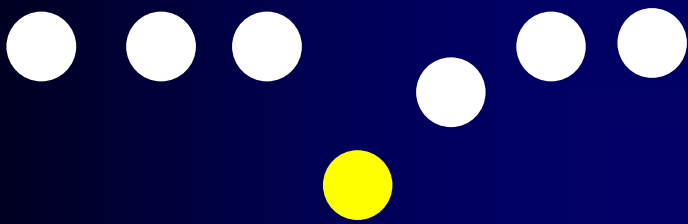

wir horchen, verlangend zu folgen dem Ruf

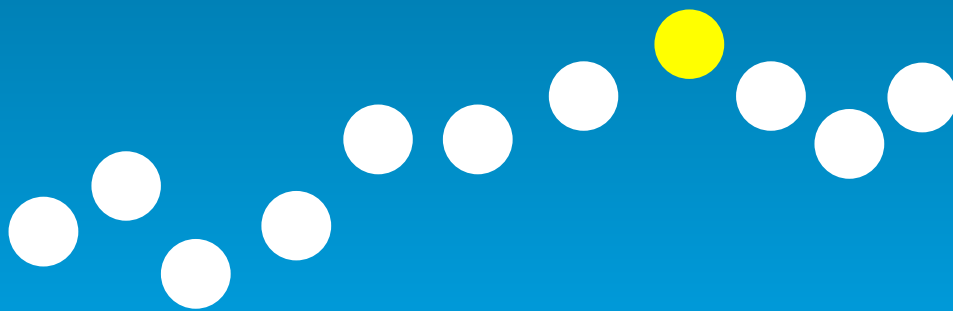

des Kyrios Christus

Amen

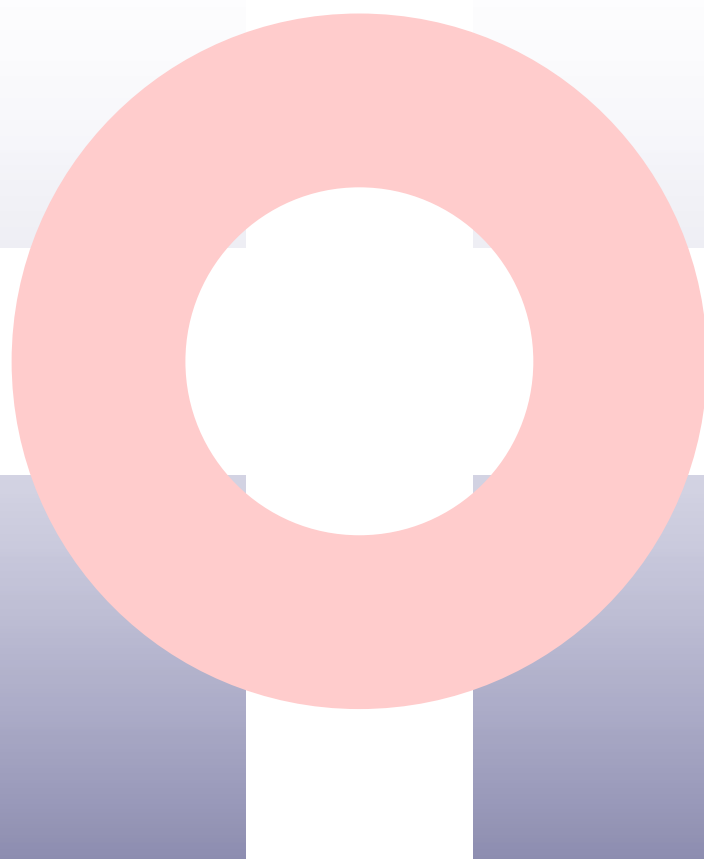

Die Nebel **e**ntweichen

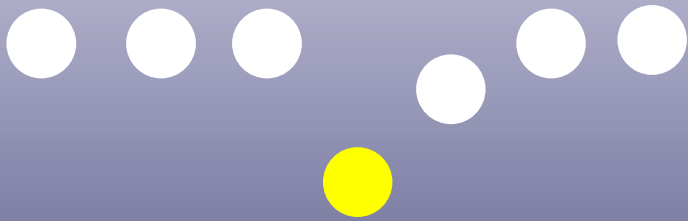

Im Glanze der strahlende Klarheit und Kraft

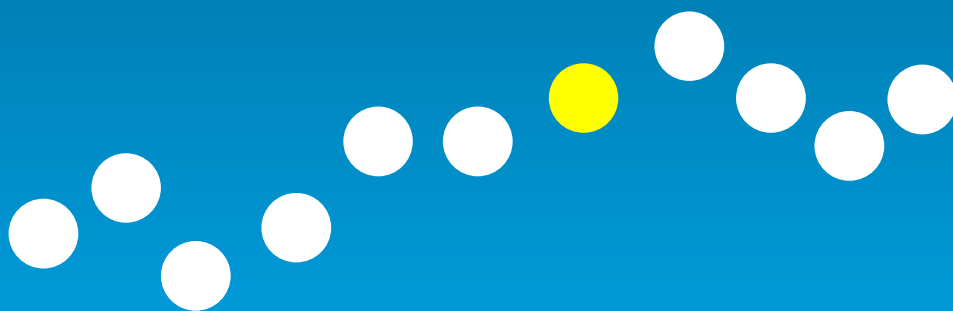

des kommenden Christus

Amen

Wir loben den Vater

und preisen im Geiste der Sonne des Heils

den herrlichen Christus

Amen
