The image features a vibrant, abstract background. At the top, a bright yellow sun is partially obscured by a white crescent shape. Below the sun, a rainbow arches across the frame, with a purple band on the left and a pink band on the right. A large, light pink arrow points downwards from the right side of the rainbow. The background is a gradient of colors: yellow at the top, green on the sides, and a mix of purple, pink, and orange at the bottom. The text "some time with Buddha" is written in white, lowercase letters at the bottom center.
