O heiligste Dreifaltigkeit

gib deiner lieben Christenheit

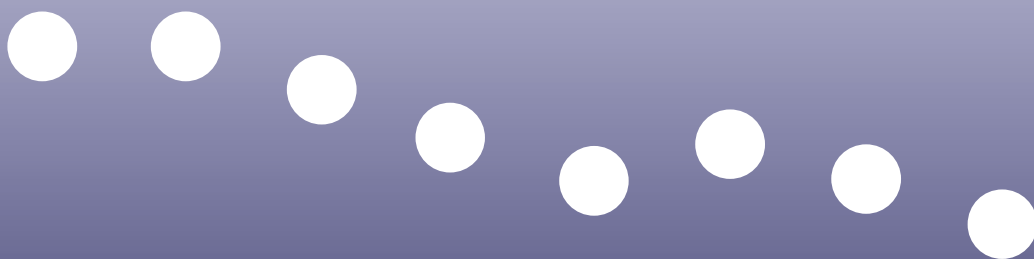

dass allzeit sie bekenne dich

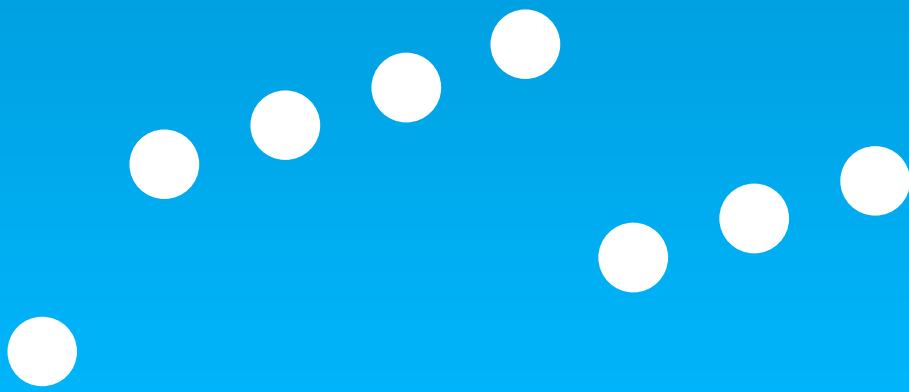

als einen Gott dreieiniglich

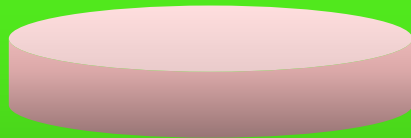

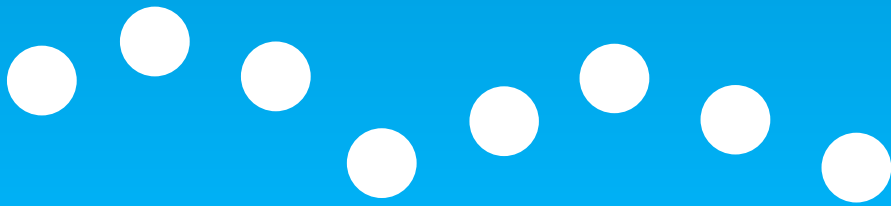

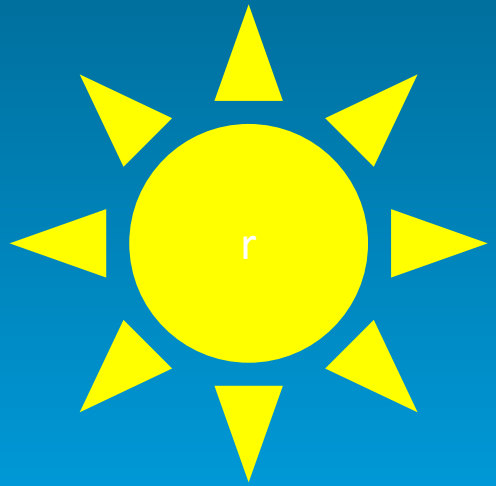

Dein Wesen, Herr, o dein Licht

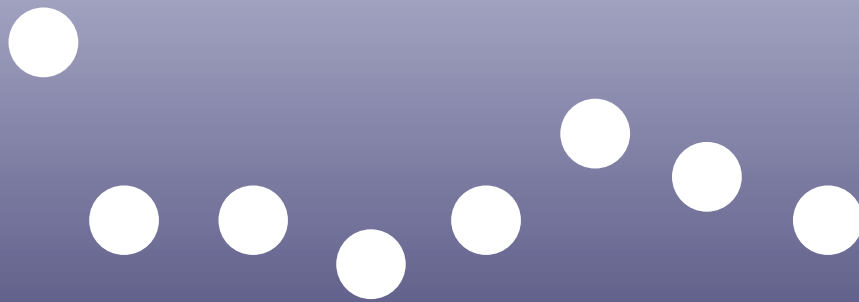

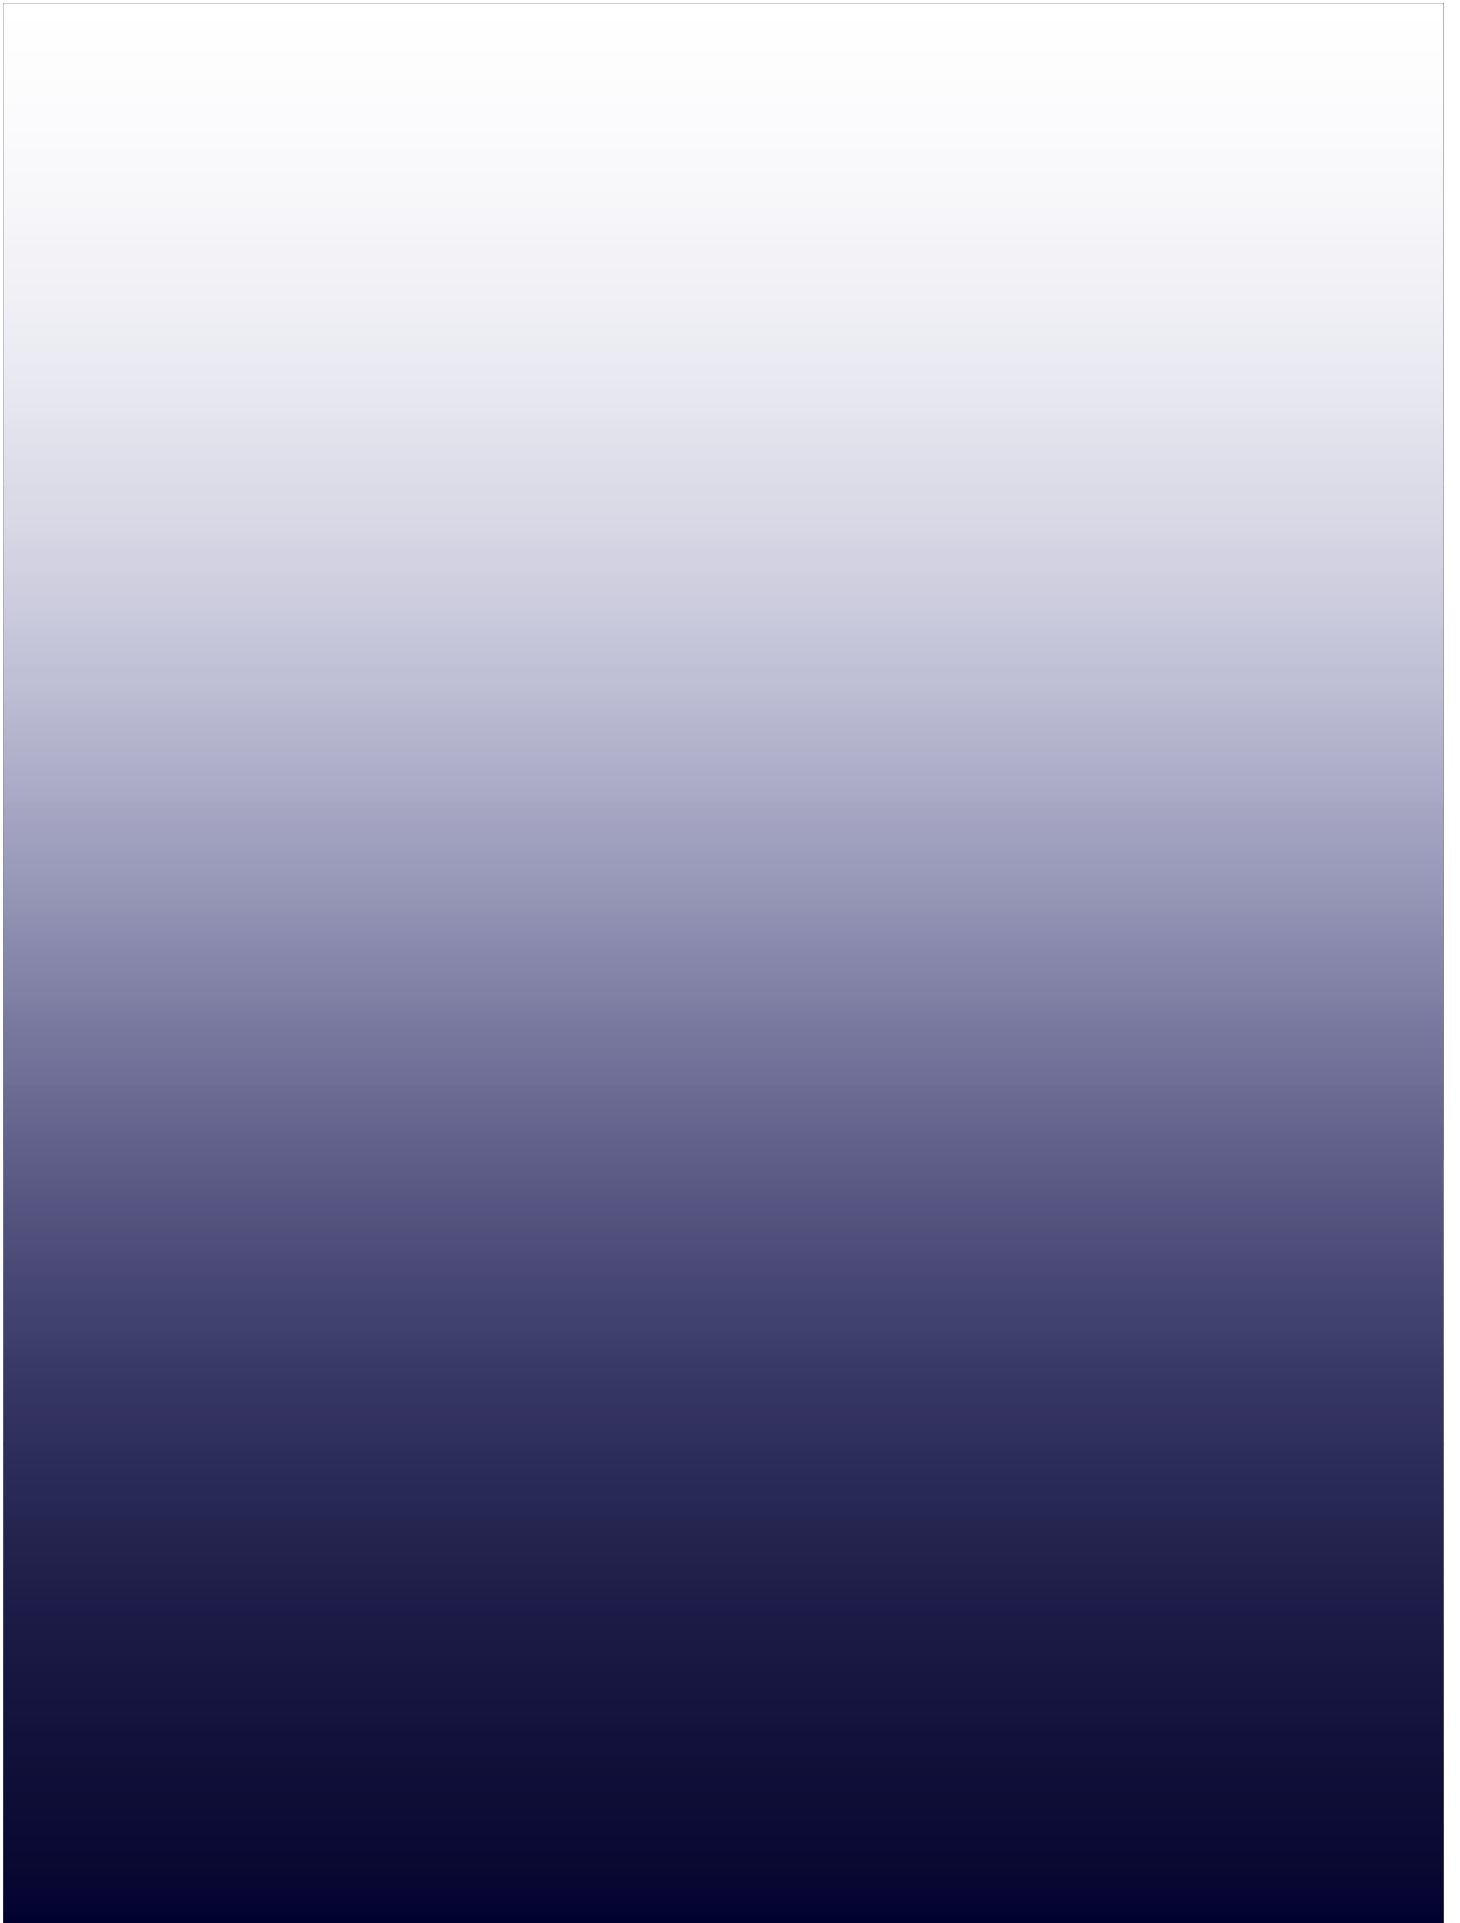

begreift ein Mensch auf Erden nicht

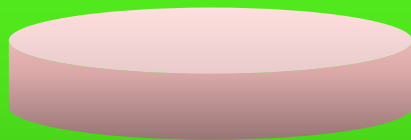

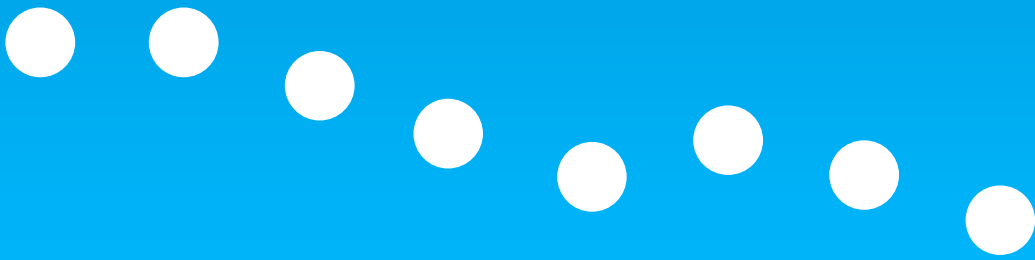

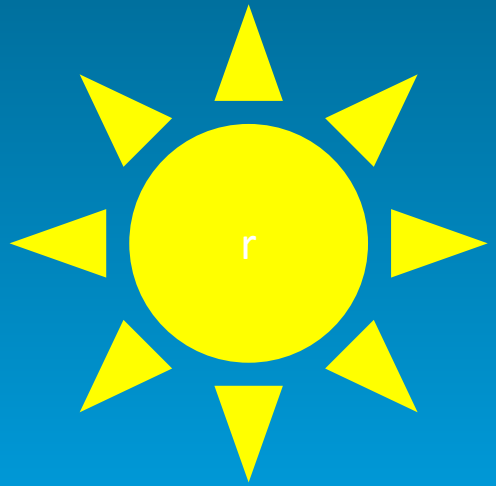

die Sonn in ihrer Herrlichkeit

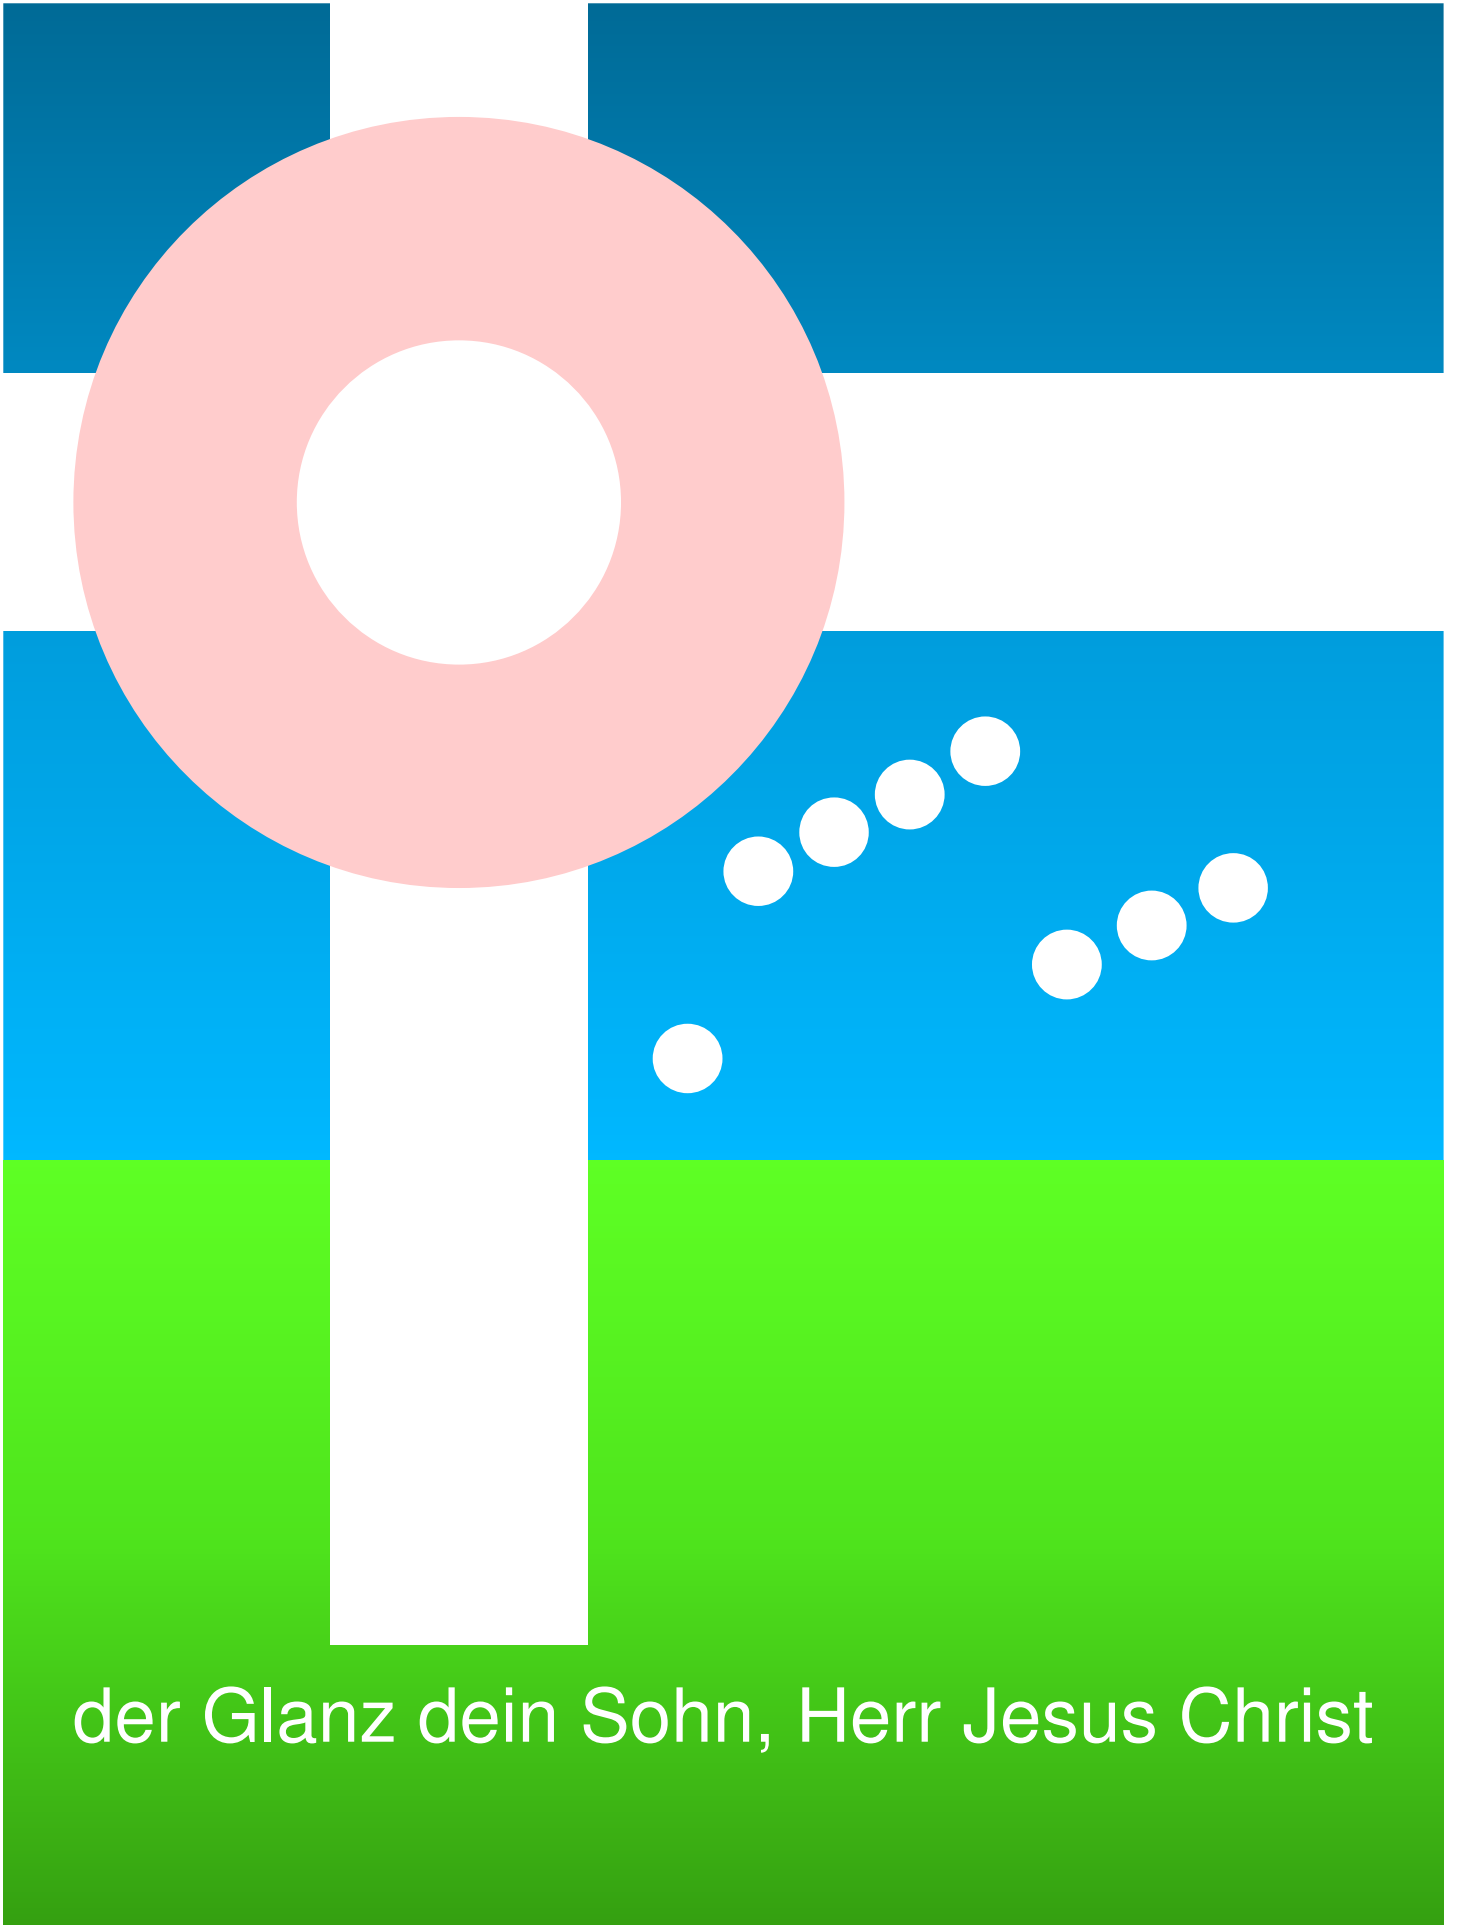

ist Gleichnis deiner Wesenheit

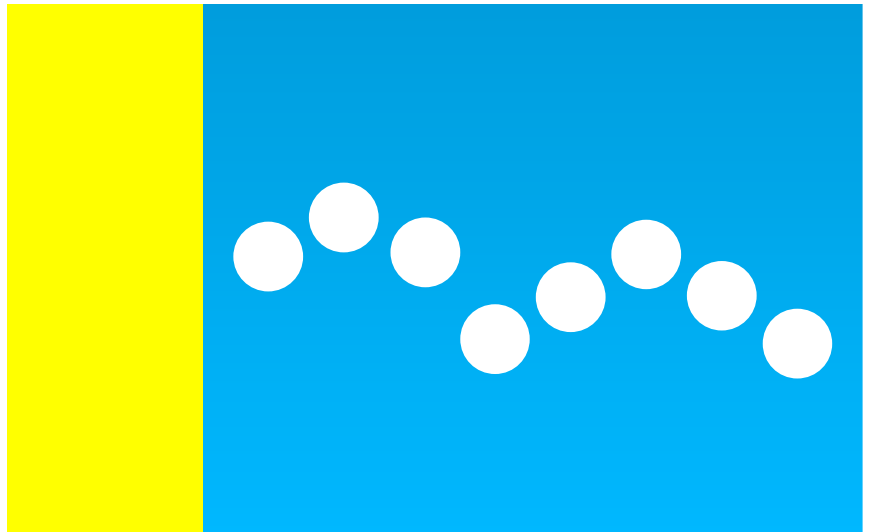

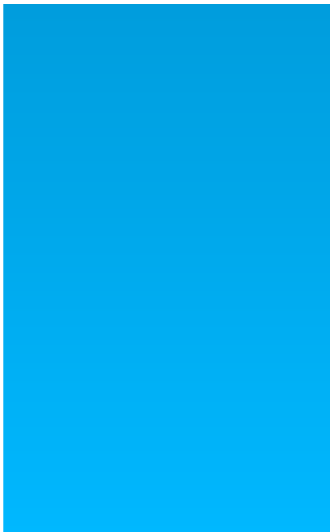

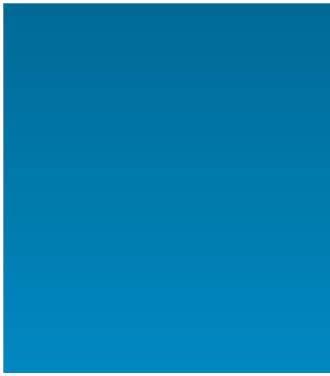

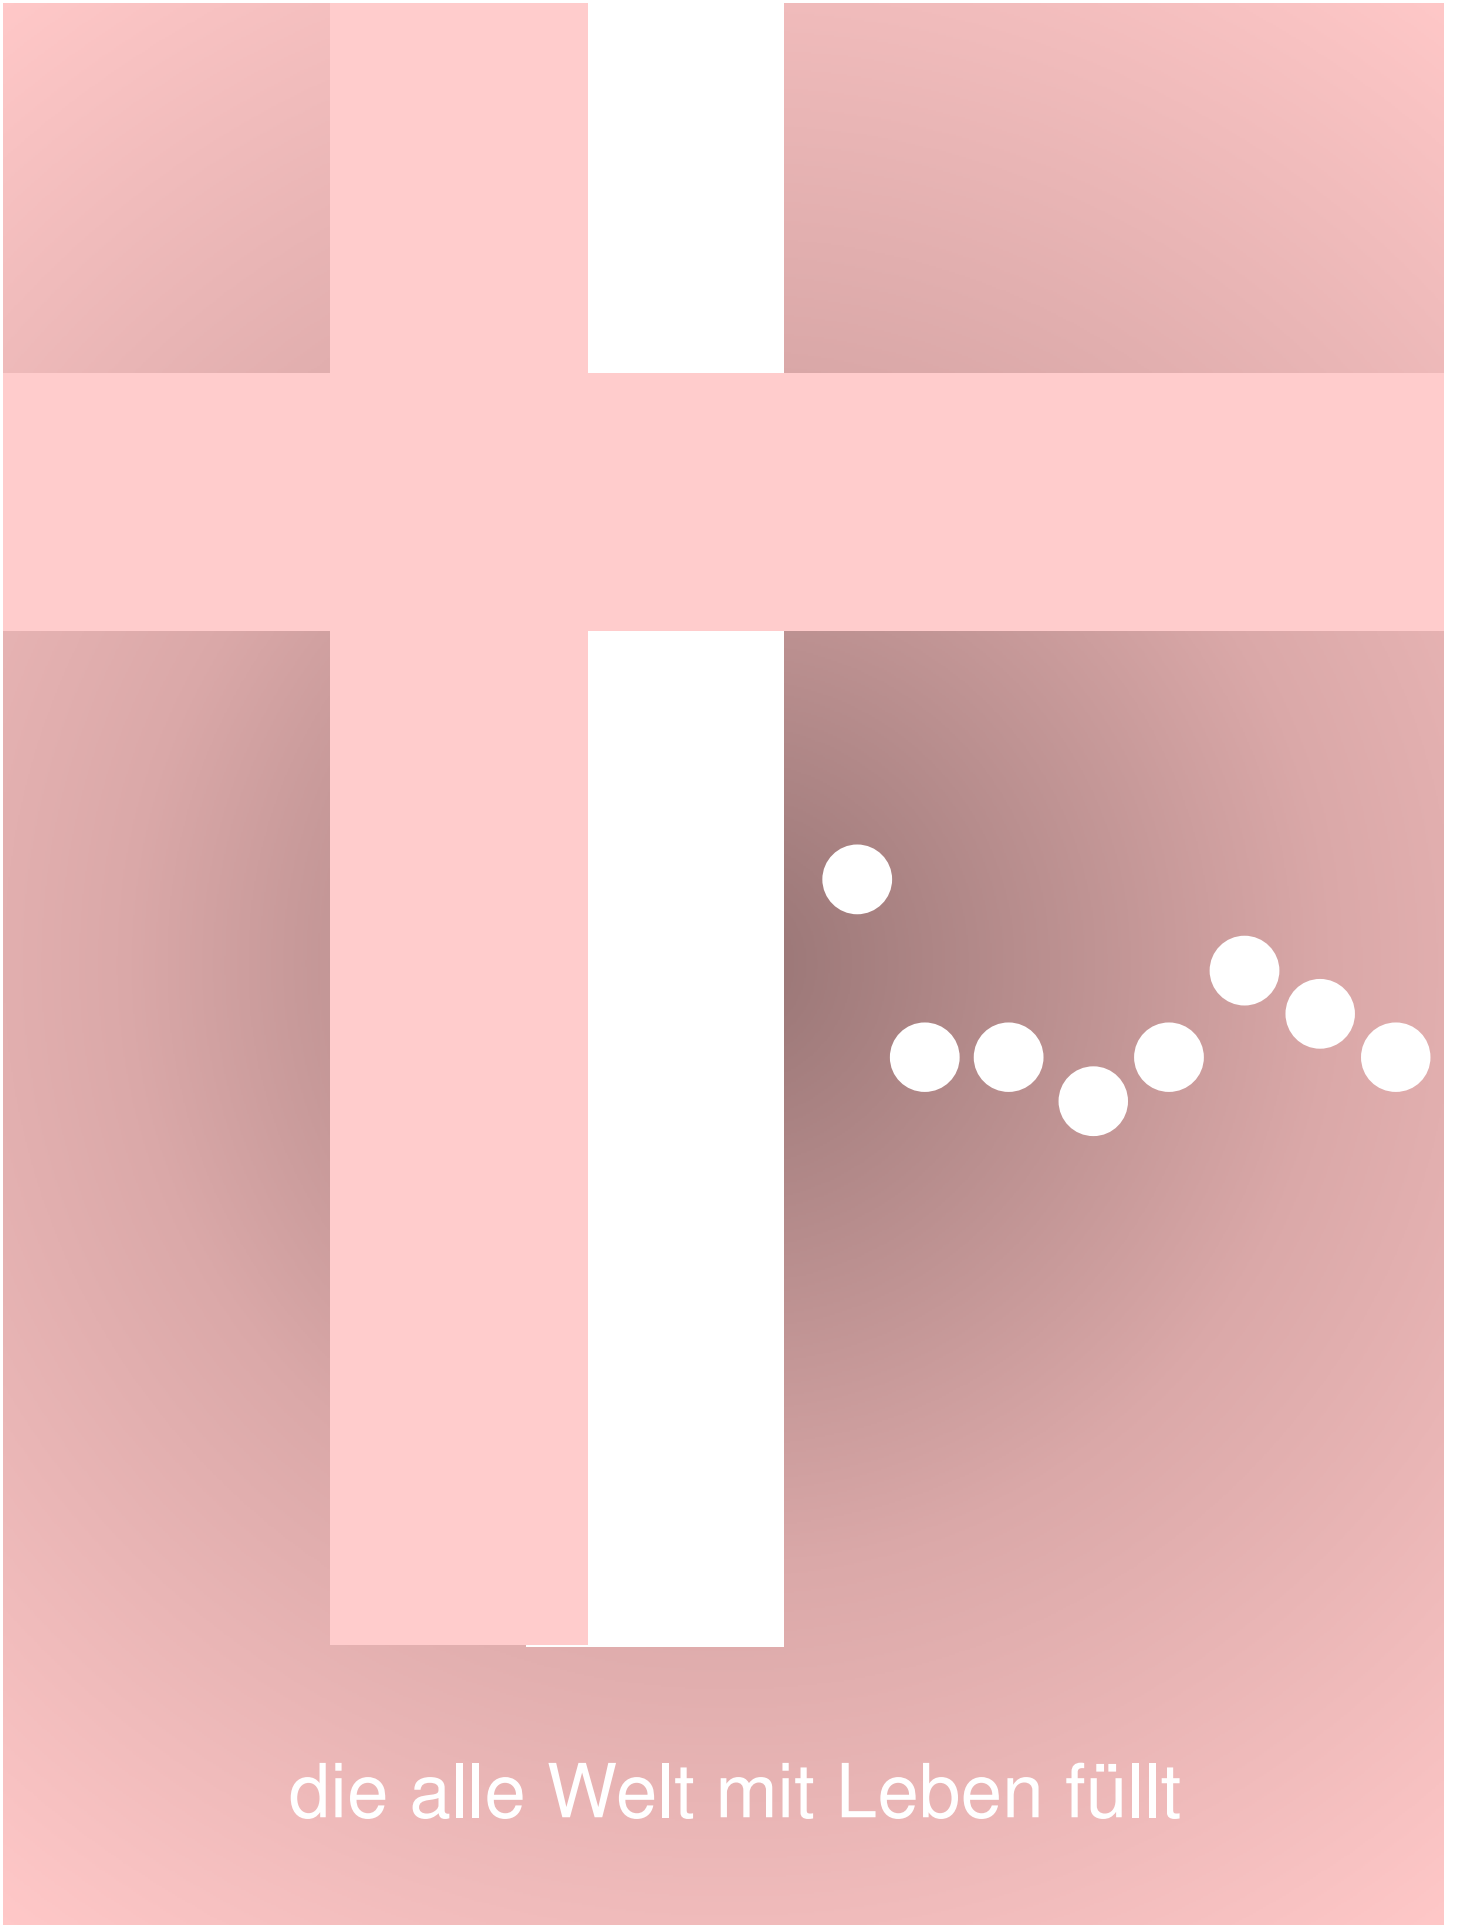

Gott Vater, du die Sonne bist

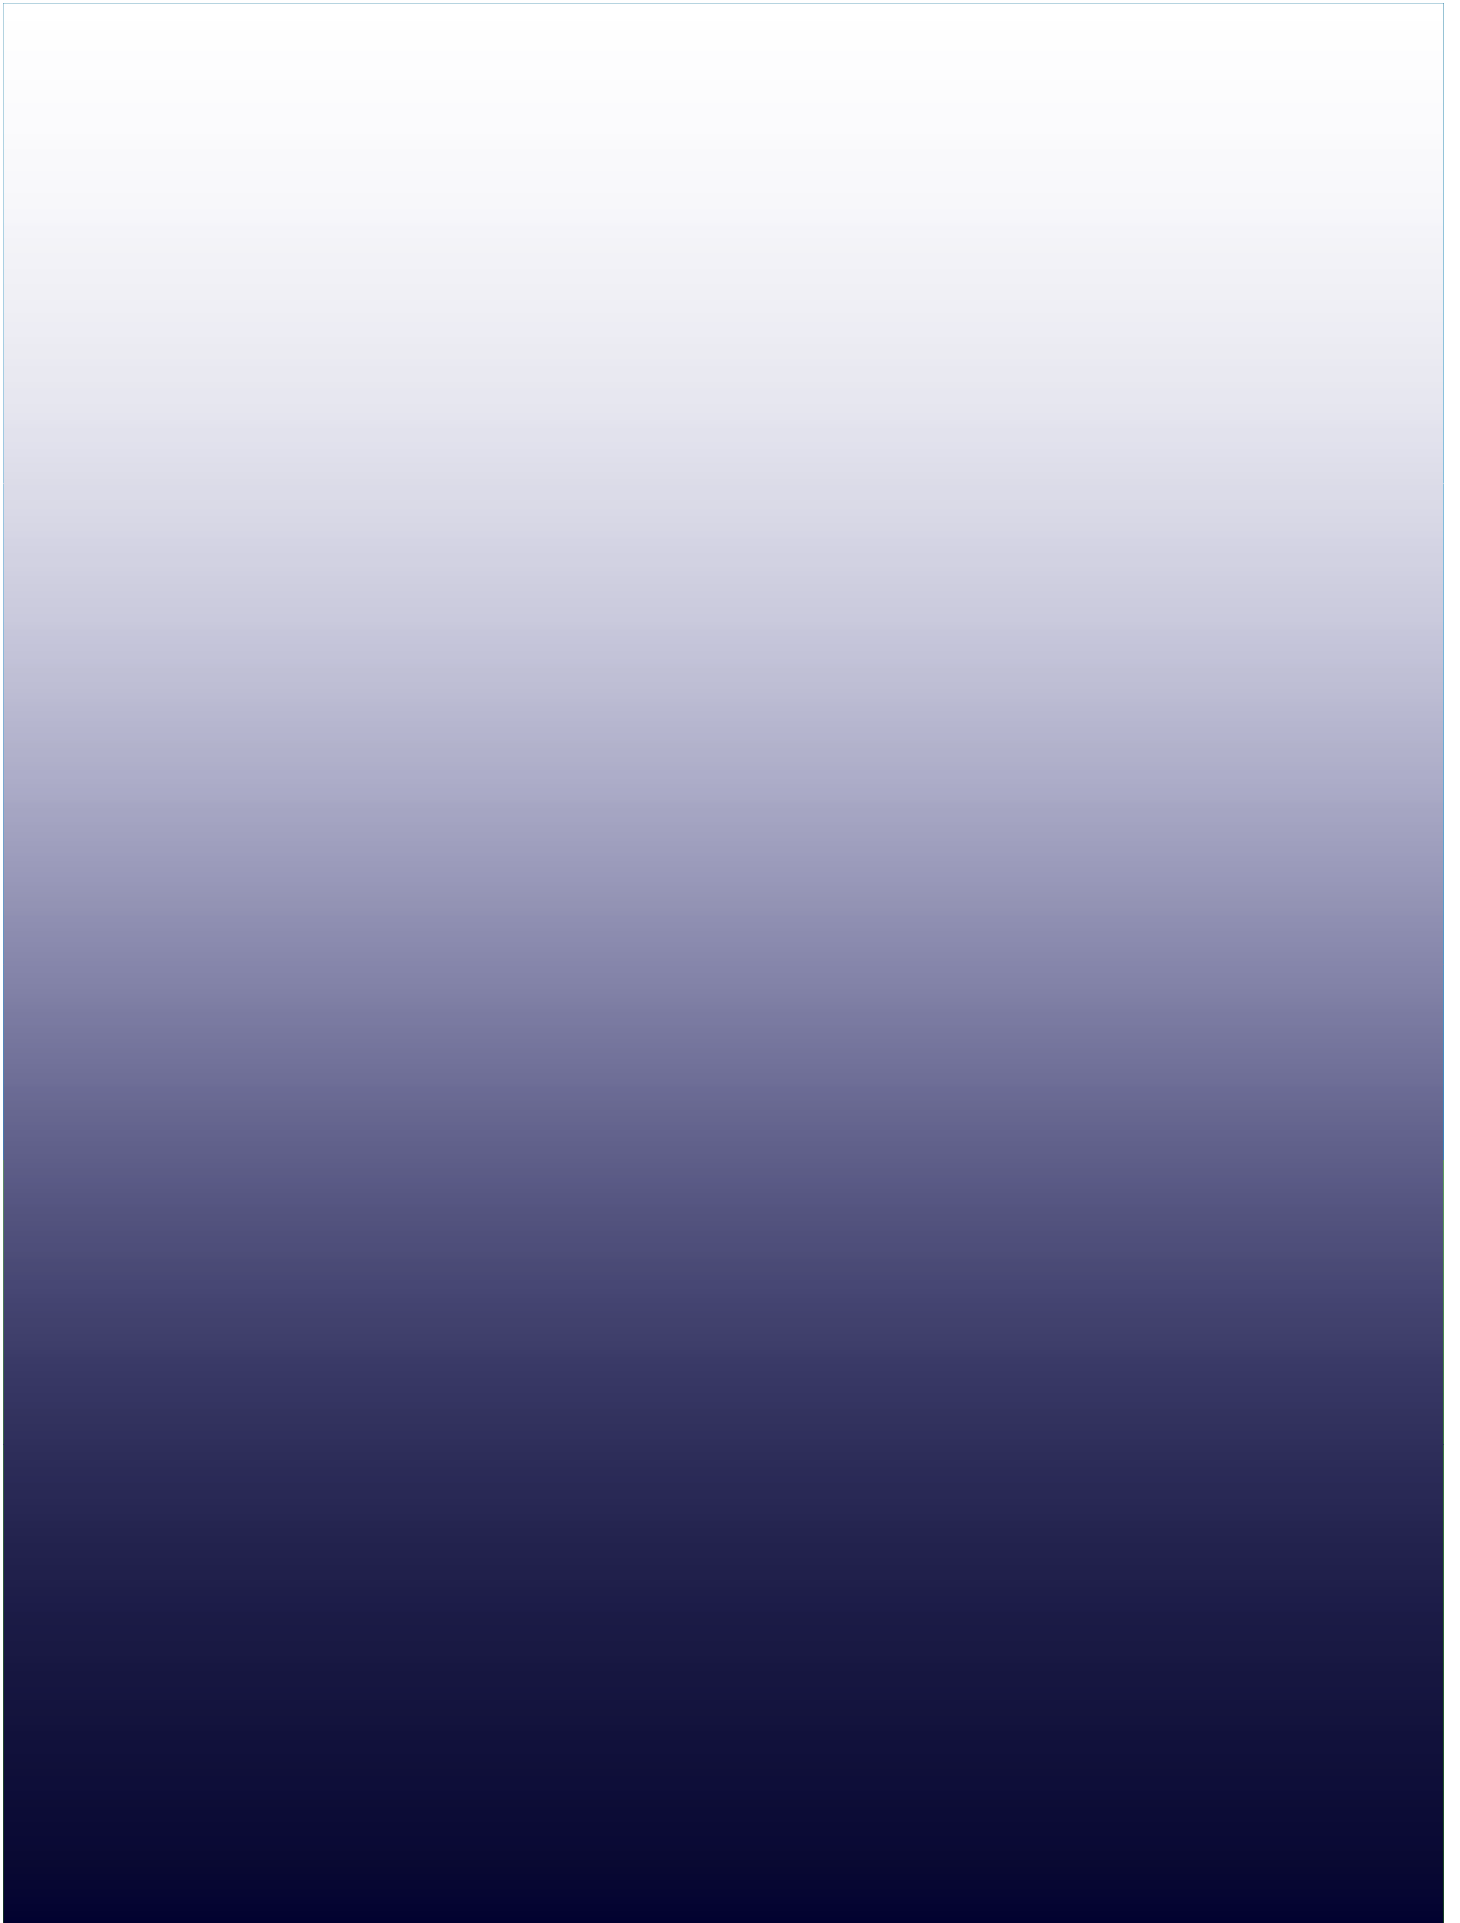

der Glanz dein Sohn, Herr Jesus Christ

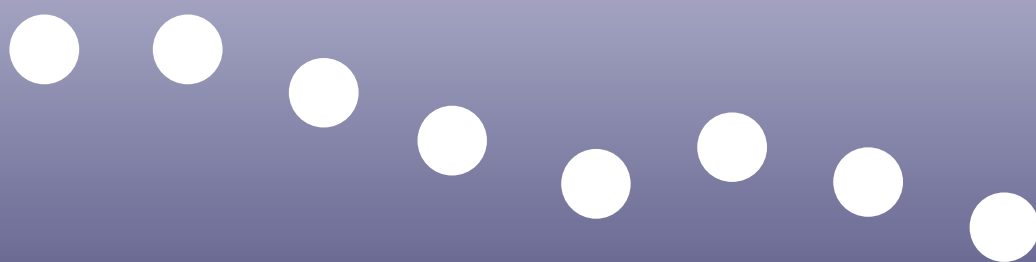

die Wärme ist des Geistes Bild

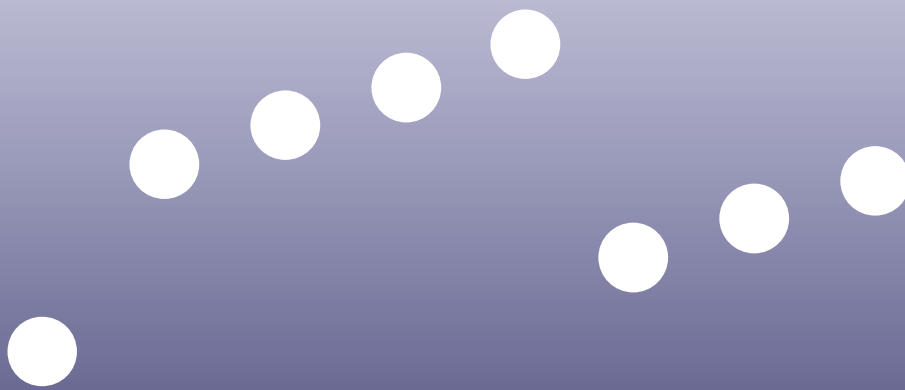

die alle Welt mit Leben füllt

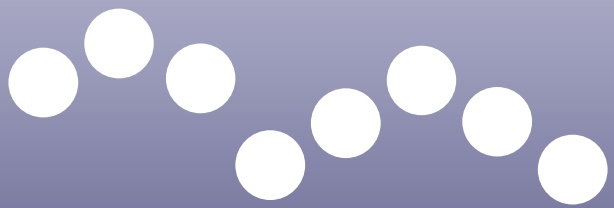

Nie war ohn Glanz die Sonne klar

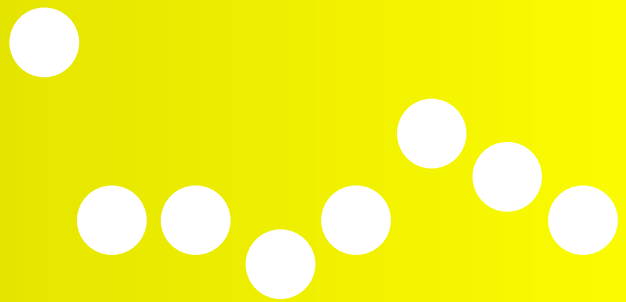

nie ohn Sohn der Vater war

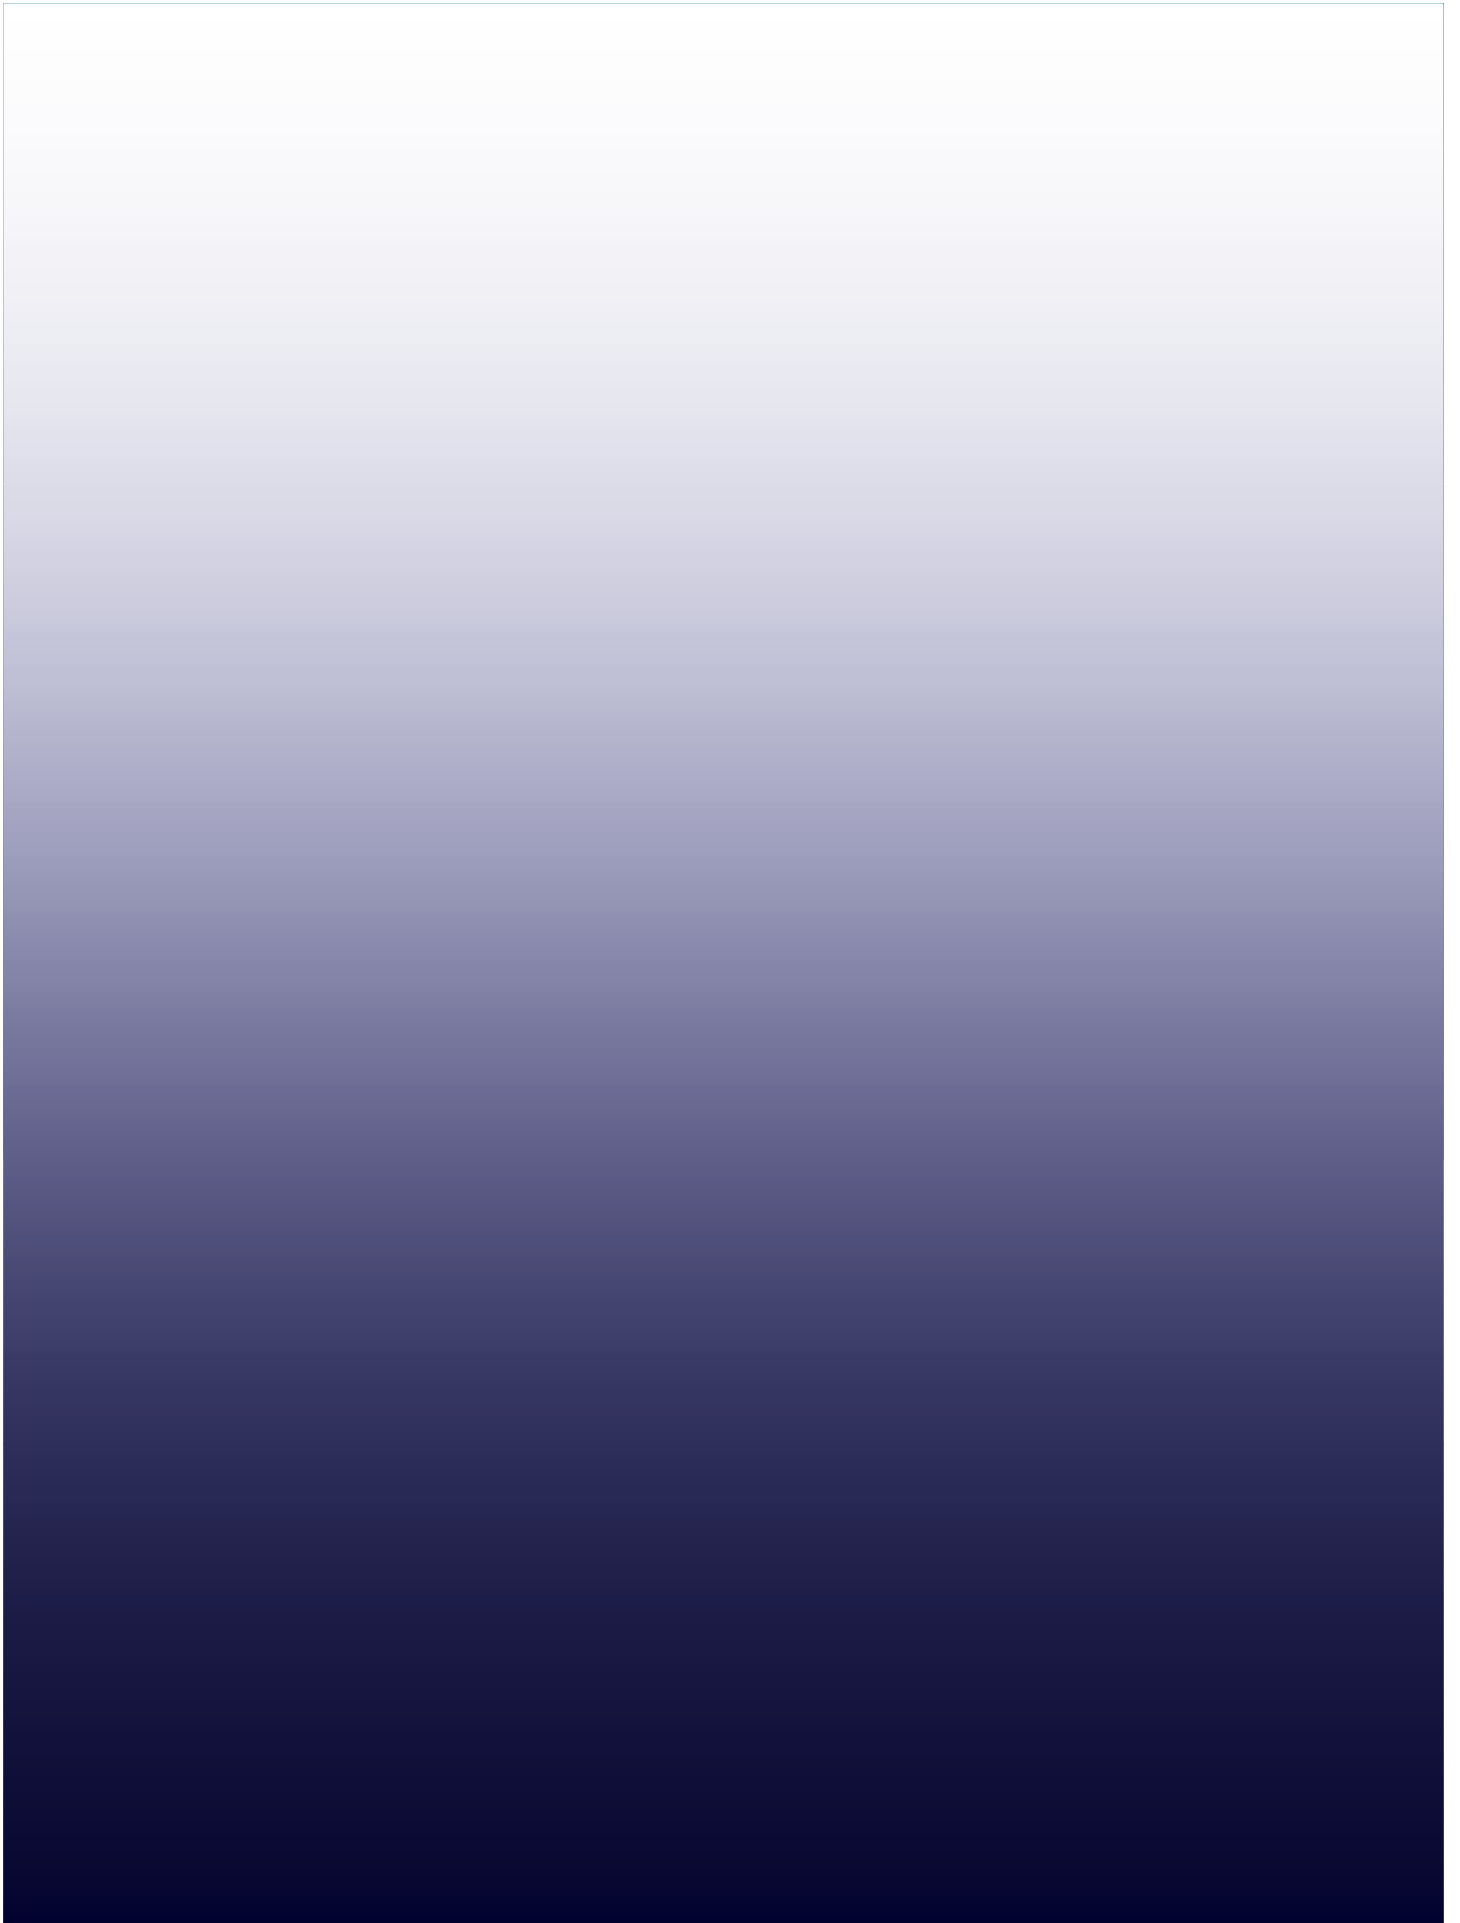

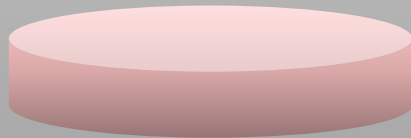

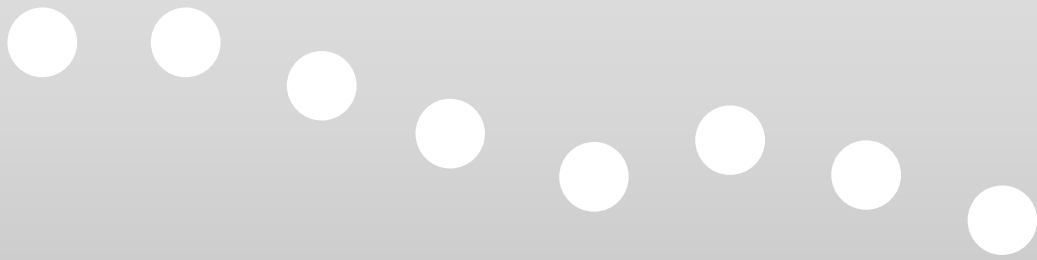

der heilige Geist von beiden geht

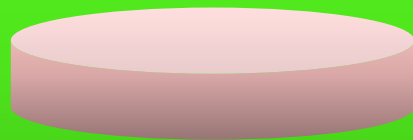

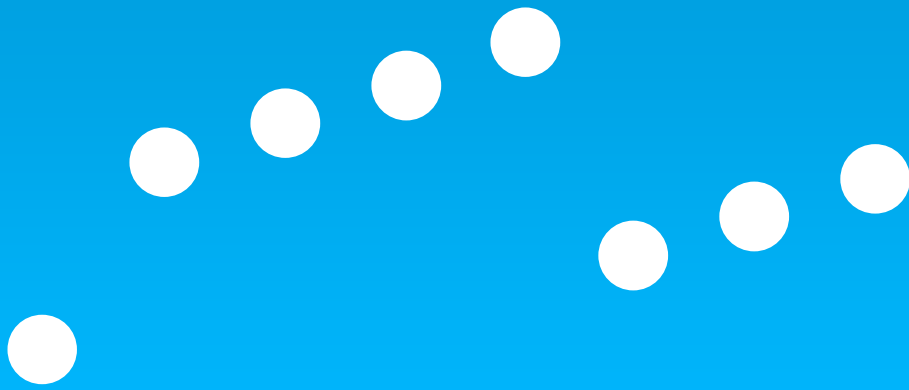

wie Wärm aus Sonn und Glanz entsteht

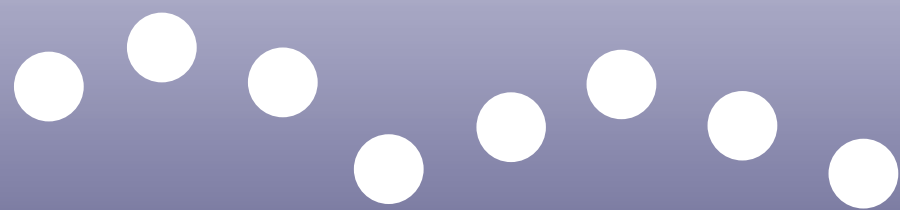

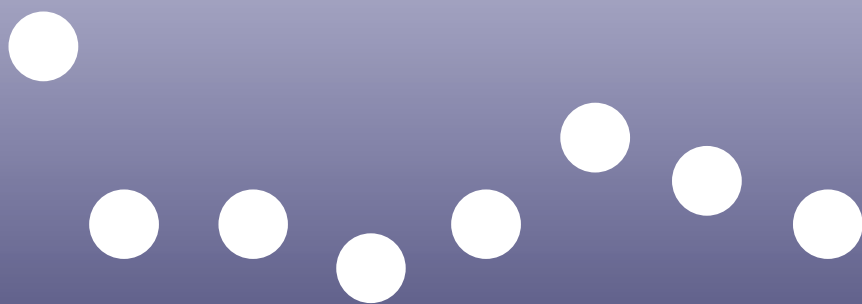

O Mensch, bet das Geheimnis an

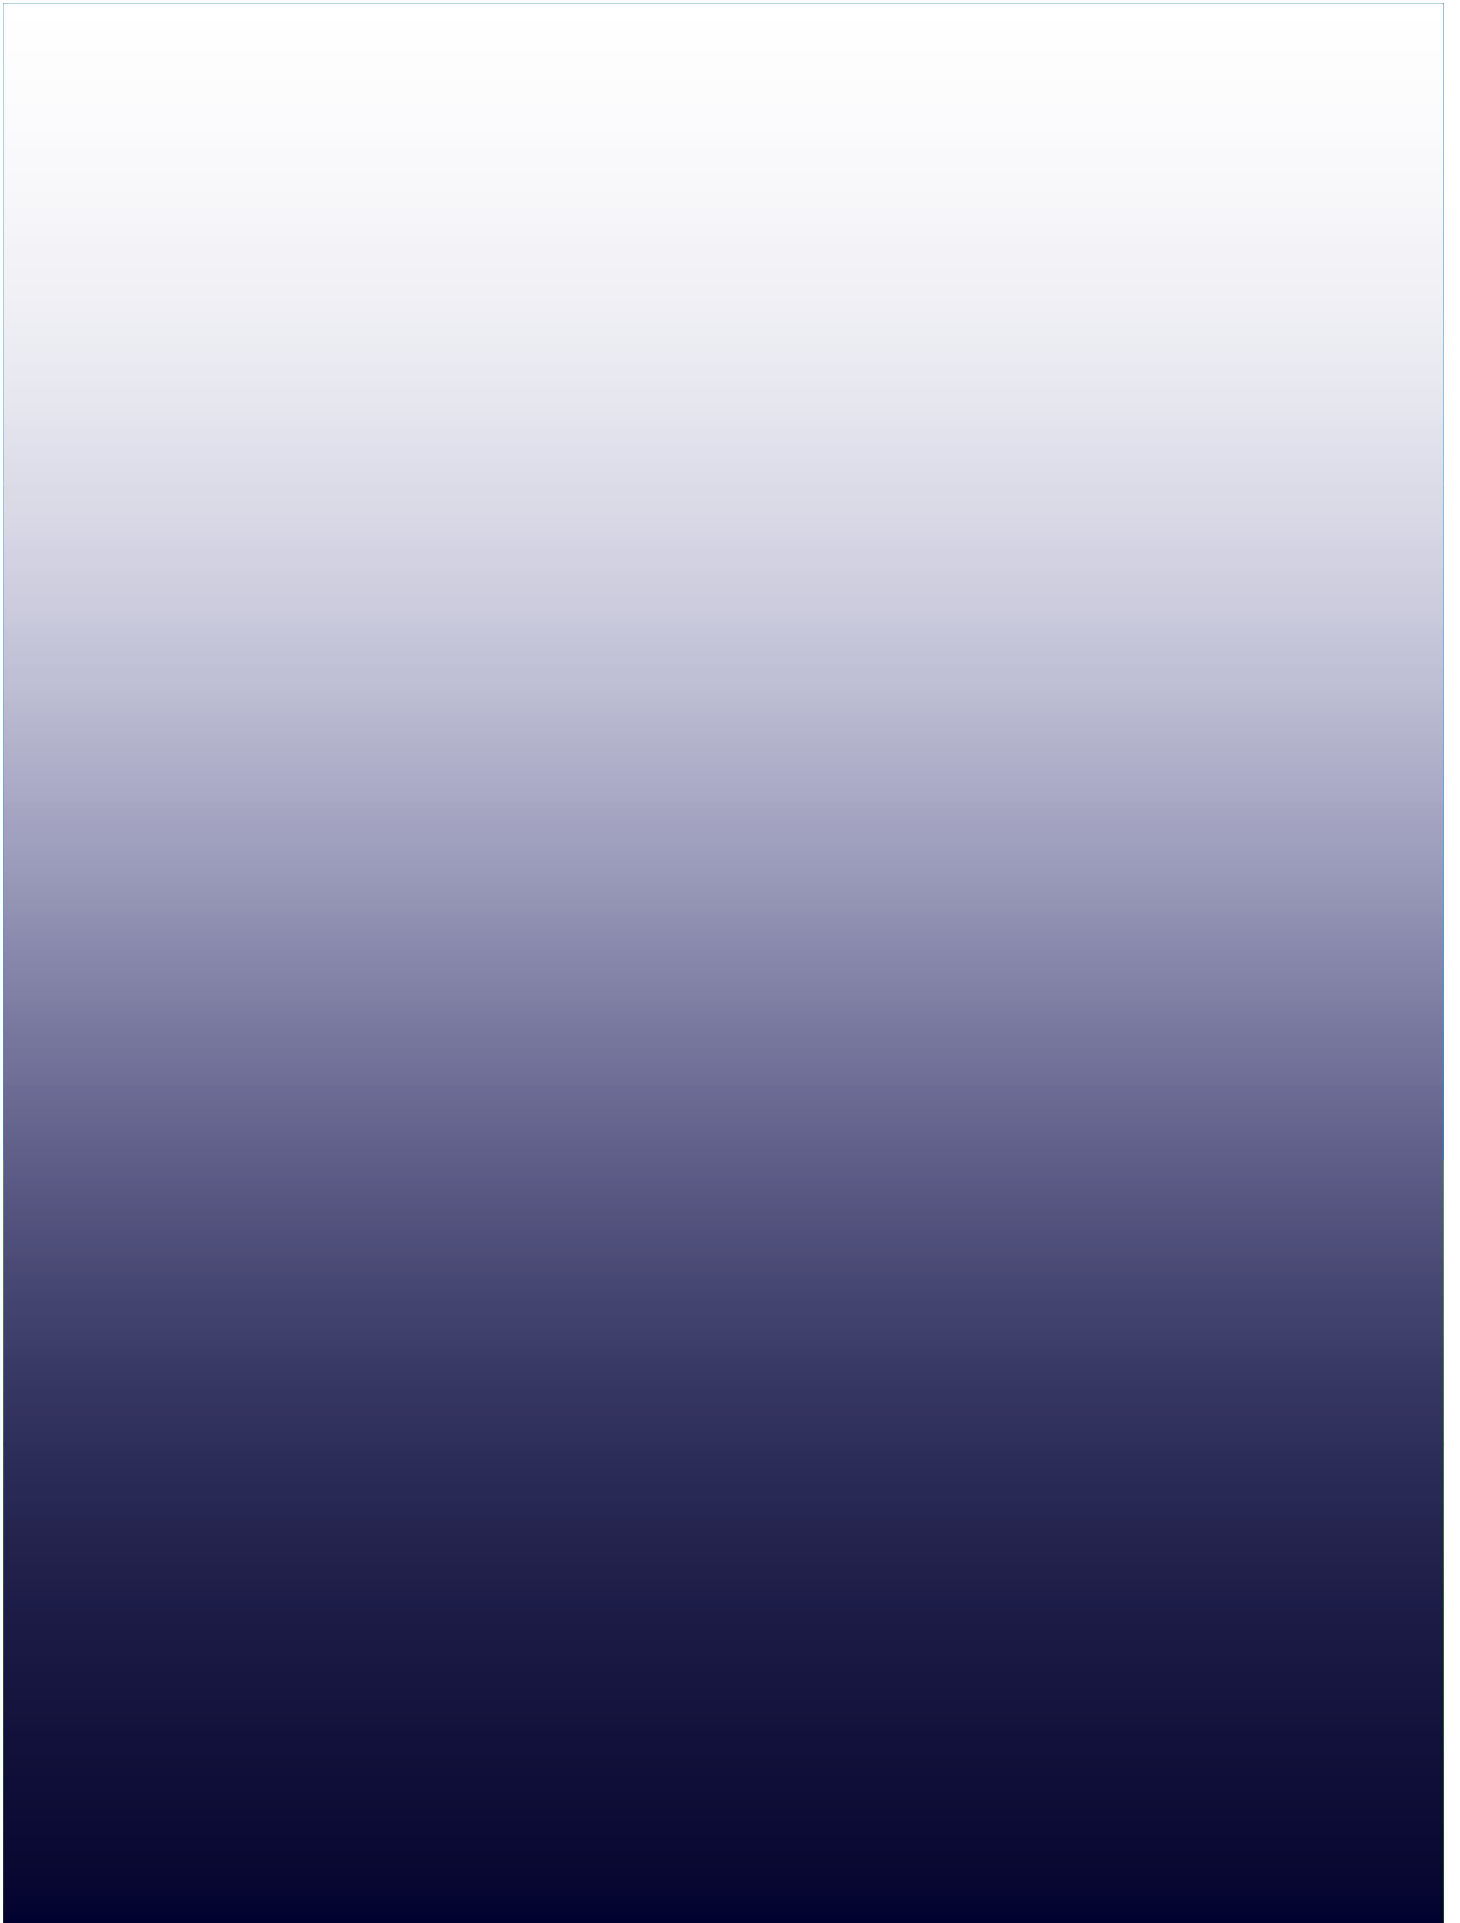

das kein Verstand begreifen kann

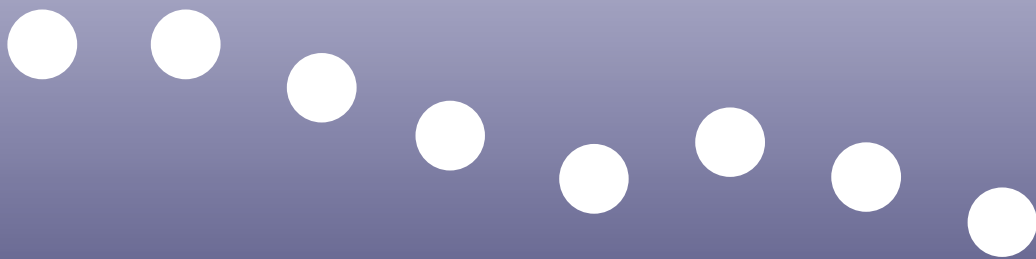

sing Heilig nun mit Kerubin

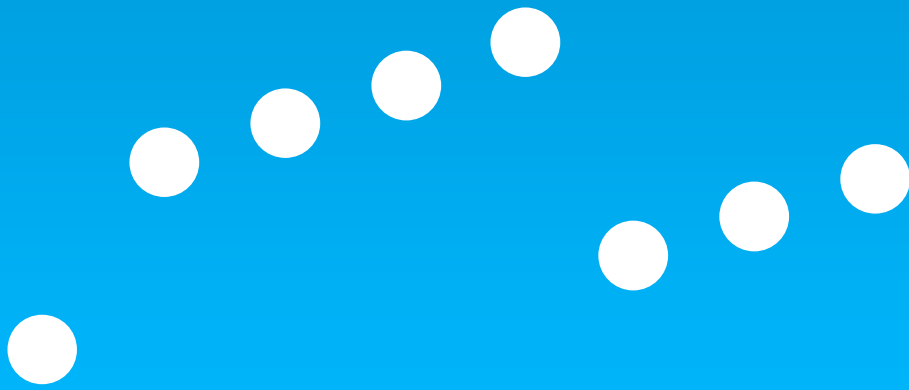

sing Heilig mit den Serafim

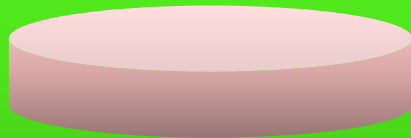

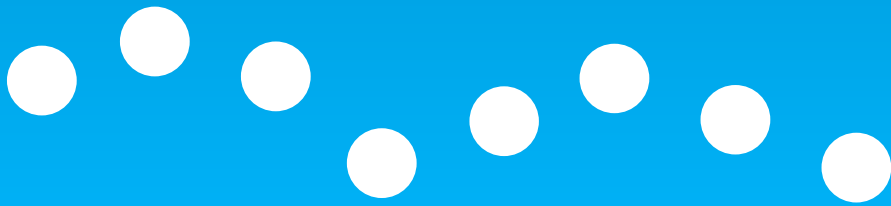

O großer gott, o ewges Licht

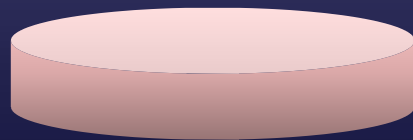

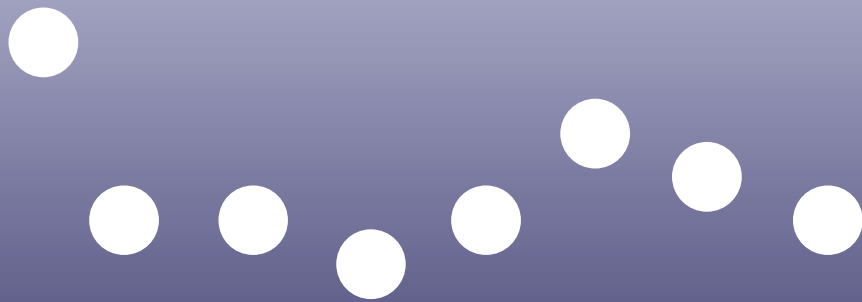

wir können dich anschauen nicht

was wir auf Erden nicht verstehn

lass uns dereinst im Himmel sehn
